No money orders will be received by the undersigned except from outside the Province.

No. 3.—Much inconvenience is caused in this office by subscribers not giving their full and correct addresses, and writing illegibly on the money order coupons, which are unfit for record.

No. 4.—Communications on post-cards or on paper less than half a sheet of foolscap, will not receive attention.

No. 5.—An efficient system of check and counter-check is maintained over the despatching of Gazette copies forwarded through post. No responsibility will be accepted when copies miscarry, or are not delivered to addressees, and such losses will not be replaced by duplicate copies.

No. 9.—Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting, causing inconvenience to the Press and waste of money. It is therefore requested that, when spare copies are wanted, a note to that effect, stating the number of copies, be made at foot of such notification, etc.

No. 10.—If no instructions, either at foot of notifications, or separately by docket, accompany any matter, it will be printed in the language in which it is written, and published only once.

CRIMINAL SIDE.

Rule of Practice No. 77, dated 7th December 1907.

Under Section 554 of the Code of Criminal Procedure and with the concurrence of Government, the Chief Court has framed and issues the following rules in supersession of the rules noted on the margin for regulating the practice of the Criminal Courts in regard to the disposal of records.

Rule of Practice No. 3, dated 28th May 1878
Do 13, dated 11th July 1879
Do 22, dated 3rd August 1880
Do 66, dated 6th December 1898

1. The records of the Sessions and Assistant Sessions Judges will be preserved in the Central Records attached to the District Court.

2. The Assistant Commissioners and Munsiffs who are Magistrates should send all the records of the Criminal cases disposed of by them to the District Magistrates' Courts six months after their disposal, where they will be kept and dealt with under these rules.

3. The Amildar Magistrates will keep the records of Criminal Cases disposed of by them in their own records.

4. An index of the form prescribed in A of the Appendix will be put up with the record of every case on its first institution in each Court, and each paper, as it is filed with the record, will be entered in such index.

5. Every record shall, after its completion and immediately before it is deposited in the record room, be divided into parts as shown in the table given in B of the Appendix, and to facilitate this division each paper will, soon as it is filed with the record, be numbered and marked in the index as appertaining to one or another of such parts.

6. The parts of records described in the table given in C of the Appendix will be retained for the periods respectively specified against them from the date of their completion, provided that in any case the presiding Judge or Magistrate may, for reasons to be recorded in writing, direct that any of the papers in any one part be transferred to any other part for which a longer period of retention is prescribed, in which case the fact will be noted in the index, and the papers dealt with as if they had belonged from the commencement to the part to which they were so transferred.

7. The Court Registers, books and papers, described in the table given in D of the appendix, will be retained for the periods respectively specified against them, reckoning from their dates, or from the dates at which they close.

Provided that a Sessions Judge or a District Magistrate may, in his discretion, direct the retention, for a longer period or permanently, of papers which he may consider likely to be useful in the future as containing the results of inquiries or other information, or the opinions of experienced officers in matters connected with the general administration of Justice, and provided also that no Criminal Court subordinate to the Magistrate of the District shall cause any papers to be destroyed under the next succeeding rule without having first obtained from such Magistrate of the District, permission in writing to do so.

8. Where any document, of which the destruction is ordered by these rules is, before it has been destroyed, made evidence in any other proceeding, the rule regulating its destruction will be the rule applicable to evidence filed in such proceeding, where the period prescribed by such last mentioned rule is in excess of the period prescribed by the rule which originally governed its destruction.

9. All records, books and papers, described in the tables given in C and D of the Appendix, must be destroyed without fail at the expiration of the periods respectively indicated against them, and the records should be examined once a quarter in every Court to see that the rule has been duly observed.

10. Records, books and papers to be destroyed under rule 5 are to be burnt in the presence of the record-keeper. The practice of selling them as waste paper is prohibited, except in the case of item 16 in Schedule D which should be sold by action.

11. To enable parties, who have filed documents in Court, to withdraw them before the periods appointed for their destruction, a notice will be published in the *Mysore Gazette* in July of each year, stating that all documents filed in the Magisterial cases (to be therein enumerated) will, unless previously reclaimed, be destroyed at the expiration of the period indicated in the notice, and the following note will also be entered at the foot of every copy of an order granted to any of the parties to the proceeding in which such order was made, or to the pleaders or authorized agents of such parties :—

"The parties should apply as soon as possible for the return of all exhibits which they may wish to preserve, as the record will be liable to be destroyed after three years from this date."

12. The above rules do not apply to non-magisterial records of revenue officers, such as Gazette files, etc., but apply only to the Judicial records of those officers.

2. *Register and accounts.*—The following registers and accounts are maintained :—

(1) Register of shares and members.
(2) Cash book.
(3) Ledger.
(4) Deposit Register.
(5) Stock Book.
(6) Receipt Book.
(7) Contingent Register.
(8) Interest Account.
(9) Proceedings Book.

3. *Members.*—There were 31 members on the roll at the end of June 1907. From July 1907 to the end of November 1907 there were 8 admissions and 5 withdrawals, the total number of members remaining at the end of November being 34, of whom 29 were males and 5 females.

The members may be classified as follows :—

Caste.		*Profession.*	
Brahmins ...	5	Government Service ...	3
Bilemagga ...	27	Weaving ...	28
Padmasale ...	1	Temple service ...	1
Vakkaliga ...	1	Agriculture ...	2
Total ...	34	Total ...	34

4. *Shares.*—Out of 4,000 shares, 504 had been taken by the end of June 1907. Subsequently up to the end of November 1907, 310 shares were newly taken and 73 shares withdrawn, the total shares allotted at the end of November being 741 shares.

5. *Capital.*—The amount collected up to the end of June 1907 was Rs. 1,758-8-0, of which Rs. 31-8-0 was for entrance fees. During the succeeding five months Rs. 952 and Rs. 13-2-0 were collected towards shares and entrance fees, respectively. A sum of Rs. 73-8-0 was withdrawn out of the share amount. The total balance at the end of November was Rs. 2,550-2-0.

6. *Deposits.*—On the 1st July last, the total amount of deposits was Rs. 175. The subsequent deposits amounted to Rs. 239-7-11 and the amount withdrawn was Rs. 372-9-0, leaving a balance of Rs. 41-14-11 at the end of November 1907. The deposits are derived mostly from easy deductions made from the profits or wages of the weaver-members of the Society who obtain yarn from the Society and sell the manufactured article to it. When these deductions total up to a fourth of a share allotted to a member, the deposit is appropriated towards the payment of the share amount. This is an excellent method of encouraging thrift on the part of the members and inducing an interest in them for the progress of the Society.

7. *Goods account.*—The total value of goods purchased during the five months from July last was Rs. 9,566-3-8 and the opening balance was Rs. 1,597-5-3 worth of goods. The amount realized by sales of goods and advances recovered during the above period was Rs. 8,645-14-7 and the value of the stock on hand on 30th November 1907 was Rs. 2,779-12-10. The gross profit realized was Rs. 262-2-6.

8. *Assets and liabilities.*—The Society had a surplus of Rs. 207-13-6 on 30th November 1907.

	Amount. Rs.	a.	p.

Assets.

„ goods and advances	2,779	12	10
Total ...	2,959	11	2

The transactions referred chiefly to the buying of raw products such as, yarn, silk, etc., for weaving, giving the same to members as advance and buying from them the prepared goods. It is only a month ago that the Society began to give cash loans to members to the extent of 80 per cent of their paid up share capital.

9. *Establishment.*—The Society has one clerk on Rs. 5 per month.

10. *The Managing Committee Meetings.*—There were four meetings of the Committee held during the period.

11. *General remarks.*—The members of the Society mostly belong to the weaving community, the intelligent President Mr. Karadi Venkataramana Setty being himself a weaver by caste. The Society appears to be much appreciated by the class for whose benefit it is mainly intended. For want of sufficient capital, the Society's operations are somewhat circumscribed.

No. 302—24 Cs., dated 6th January 1908.

Circular No. 7688-97, dated 21st—24th January 1908.

The Deputy Commissioners of districts, the Registrar of Co-operative Societies in Mysore and the Inspector of Cattle Diseases in Mysore are requested to expedite the submission of the budget estimates for the ensuing year 1908-09 in the printed forms prescribed for the purpose.

2. The instructions contained in Chapter II, Part I, of the Financial Rules appended to Government Order No. Fl. 1150-1192—18-01-02, dated 7th February 1903, and those issued by the Comptroller along with the printed forms should be carefully followed in the preparation of the estimates.

3. The following subsidiary instructions which are usually lost sight of in spite of the stress laid upon them every year are restated for being kept prominently in view in preparing the estimates for the ensuing year :—

(i) It should be remembered that the budget estimate of receipts and varying charges of every year should be prepared with special reference to the requirements and probable conditions of that year. It should neither be a mere repetition of the previous year's figures nor an arithmetical average of three years' figures. The average is a guide but it should not be taken absolutely. In estimating receipts of Land Revenue, for instance, if any one or more of the last preceding three years, was a bad year, it should be excluded and the average of the last three *normal* years taken into account. It should also be remembered that the total gross demand of Land Revenue for the year should not be taken as the estimate of the year, but only that portion of it as can be expected to be actually collected during the year.

In all cases where the estimates differ markedly from the actuals of the previous three years, such variations should be fully and clearly explained.

Opposite to every item of fluctuating charge such as travelling allowances and contingent charges, a note should be made of the actual expenditure of each of the three previous years, for purposes of ready reference.

(ii) All the three blank columns in Appendix A should be filled up and the figures under item IX thereof should be identical with the figures under Receipts 1. Land Revenue. The figures in column 2 of the Appendix, *viz.*, Revised estimate for 1907-08, should not be a mere repetition of the figures of the budget estimate, but revised figures based upon the actual collections up to date and the probable collections for the remaining portion of the year (due allowance being made for any unforeseen change in the seasonable conditions, for any remission of, or suspension of collection of, revenue that may have been or is likely to be sanctioned) should be furnished.

(iii) The scale of officers and establishments shown in the printed forms issued by the Comptroller relates to the *whole* State and in the estimates prepared by the Deputy Commissioners the figures should be altered in *red* ink so as to show the *correct* scale for each district, and all printed entries not pertaining to the district should be carefully scored out. Similar alterations should also be made in the Appendix B, the figures for the other districts being scored off.

(iv) The statement of progressive salaries required under Rule 10, Part I, Chapter I, of the Financial Rules should be submitted in triplicate in the form prescribed by the Comptroller and shown in the instructions appended in the printed forms. Appointments carrying similar salaries should not be grouped together and each appointment with all the prescribed particulars should be separately shown. The

pay that has to be provided for in the budget is what the permanent incumbment may earn on 1st July next and not that of the acting official or what the incumbent may draw any time before or after that date.

(v) The statement showing the numerical strength of sanctioned establishments required under para 14, Part I, of Chapter II of the Financial Rules should be submitted in duplicate.

(vi) In the case of supernumeraries, the Government order or other authority under which they are borne as such should be quoted.

(vii) As in the absence of the officewar details showing the scale, etc., of the establishment of the several offices it is impossible to varify the entries in the budget estimate, every attempt should be made to send these details with the budget estimates.

Full details (showing the name of the tank or channel, the scale of establishment, and the Government order sanctioning the same) for the estimate under "2B. Land Revenue (2) charges of District Administration IV, Miscellaneous—establishment for channels and tanks" should also be furnished with the budget estimate. Such details were furnished last year only after repeated reminders were issued from this office, and even those that were furnished were neither full nor correct. It is hoped that this year the details will be complete and accurate.

(viii) All items of charge that have been by express orders of Government postponed to the ensuing year should be provided for without any omission.

4. As the consolidated estimates are due in the Financial Department of the Secretariat on the 15th March 1908, every endeavour should be made by the officers named above for the submission of their estimates to this office before 15th February 1908. Delays in the submission of the estimates retard the compilation of the consolidated budget, limit the time requisite for the due consideration of the demands made and occasion undue haste in the disposal of subjects which should be dealt with in a deliberate and careful manner. The officers concerned are therefore requested to pay their personal attention to the matter and make proper arrangements for submitting the estimates before the due date.

Circular.

Subject:—

1. Correspondence ending with letter No. 131, dated 12th August 1907, from the Deputy Commissioner, Tumkur District, on the subject of the maintenance of avenue trees and the extension of avenues.

2. Correspondence ending with letter No. 137, dated 15th August 1907, from the Deputy Commissioner, Mysore District, on the same subject.

No. 7628-35, *dated Bangalore,* 21*st*—23*rd January* 1908.

ORDER:—

It is essential that the best attention of the District and Taluk Officers should be devoted to the maintenance of existing avenue trees, supply of vacancies, and planting of new avenues where required. There are absolutely no avenue trees along many roads of recent construction, and almost everewhere avenue trees are damaged by indiscriminate lopping off of branches for feeding cattle and sheep, or for running up temporary sheds. With a view to conserve the existing avenue trees and to encourage planting in localities where there are none, or where there are only a few and at distant intervals, the following instructions are issued for the guidance of local officers:—

1. The pits for planting cuttings and putting in seeds should not be made by driving pointed sticks or iron crowbars into the ground, as holes so made are not sufficiently spacious and do not admit for the earth being sufficiently pulverised to afford facility for the plant to throw out roots and draw sufficient nourishment. Pits measuring not more than 3 feet broad and 1½ to 2 feet deep should be dug and filled in with loose earth and left exposed to the atmosphere for some days before the seeds are put down, or cuttings or seedlings raised in nurseries or baskets planted. It is always desirable to put in one or two seeds along with a cutting which should be neither too thin and weedy nor too thick.

2. The pits should then be protected by a fence of "gobli" or other thorns, or a mudwall in the maidan parts with an opening on a proper slope to admit of the surface drainage finding its way into the pits.

3. The cuttings should also be protected by covering them with date leaves where possible to prevent goats, etc., from eating up the tender shoots.

4. Only such species should be selected for purposes of avenues as would thrive in the locality, having due regard to the nature of the climate, the facility for water and the

requirements of the trees in respect to moisture in their early growth. The following are some of the trees suitable for avenues :—

Mavu	... Mango.
Bevu	... Neem.
Nerale	... Blackplum, Jamoon.
Atti	... Country fig.
Ala	... Banyan.
Jali	Babut.
Hunise	... Tamarind
Ippe	...
Tadasalu	...
Sampige	... Champæ.
Nelli	Emblic Myrobalan.
Bilpatre	... Bael.
Byala	... Wood Apple.
Honge	... Indian Beech
Halasu	... Jack.
Goni	...
Jalari	... Lac tree.
Yelachi	... Indian Jujabe.
Challe.	
Basari.	
Java fig.	
Gold Mohar.	
Cassia Florida.	
Spithodia.	

5. Jack, mango or other valuable fruit trees may be planted at places where the soil is good and likely to have sufficient moisture.

6. Where avenue trees are growing on land forming part of old survey numbers belonging to private persons, who however have no right to the strip of land on which the trees stand, care should be taken that these trees are not enclosed within such holdings.

7. All round the plants, the ground should be kept clear of weeds and grass which should be removed as soon as they appear.

8. On no account should branches of the avenue trees be allowed to be cut or removed to serve as fodder for goats, etc. In extreme cases of necessity small branches not exceeding the thickness of a finger may be allowed to be cut. It shall be the duty of the village officers and servants of road-side villages to maintain strict watch in this respect.

9. Care should be taken that the branches of avenue trees do not become a source of obstruction to carts and other conveyances passing along the road. The Hobli Shekdar, in the course of his periodical inspections, should see that no branches are within 8 feet from the surface of the road. He may cause a bamboo pole 8 cubits long to be carried erect along the margin of the road on each side and have all such branches as come in contact with the pole cut with a saw. It should be distinctly understood that only overhanging portions and not the whole main branch from the trunk should be lopped.

10. When such avenue trees have been planted by a private person he will have a right to the usufruct which includes the right to take the leaves and fruit thereof without injuring the tree, the right to remove dead wood and the right to remove the branches lopped off under circumstances referred to in para 9 provided he has rendered the necessary aid to the Shekdar in lopping the same.

11. A Hobliwar register should at once be opened of the trees in the different roads and avenues as per form enclosed. Trees more than four years old should be numbered as trees and those less than four years old as plants.

12. The avenue trees within the limits of each village shall be in charge of the Patel of that village, except when another Patel has been in charge of the same by mamool or by express order, and shall be responsible for their due preservation. He shall be given an extract from the Shekdar's register showing the portions of the road and the number of avenue trees for which he is responsible.

13. The Deputy Amildars and Amildars should take personal interest in the matter and the Jamabandi Officer should carefully inspect during his jamabandi tour the condition of the avenues and the work done during the year. The Hobli Register should be examined for purposes of check and verification and the results should be entered therein along with the remarks of the Inspecting Officers.

A special para should be devoted to this subject in the Jamabandi Reports and the Deputy Commissioners are also requested to review the same in their Administration Reports.

Circular No. 2097 – Dep. 604, dated 23rd January 1908.

To—The Deputy Commissioners, Treasury Department, of all Districts and the Officer in charge, State Huzur Treasury, Bangalore.

As there appears to be some misconception as to the period for which Revenue, Judicial and Personal Deposits should be retained in the Deposit Registers, and when they should be credited to Government, under Article 255 of the Civil Account Code, the undersigned has the honor to issue the following instructions which are merely explanatory of Article 255 of the Code. This office Circular No. 2826—542, dated 20th November 1905, which has apparently given rise to the misconception owing to its being not quite explicit will no longer be quoted.

1. All deposits will lapse at the close of the first, the second or the third account year following the year of deposit. In no case may they be retained in the Deposit Registers for more than three account years subsequent to the year of deposit.

2. In the case of deposits exceeding one rupee—

(*a*) If they are partly repaid in the year of deposit, and the balance is thereby reduced to a rupee or less, the balance will lapse at the close of the following year, *i.e.*, the first account year following the year of deposit.

(*b*) If the balance after repayment or repayments be reduced to a rupee or less in the first account year following the year of deposit, the balance will lapse at the close of the succeeding year, *i.e.*, the 2nd account year following the year of deposit.

(*c*) In all other cases in which either no repayment is made or the balance after repayment exceeds one rupee, the deposits or the balances of deposits, as the case may be, will lapse at the close of the 3rd account year following the year of deposit.

3. In the case of deposits not exceeding one rupee they will lapse at the close of the first or the second account year following the year of deposit as detailed below. In no case will these deposits be retained in the Deposit Registers for the third account year following the year of deposit:—

(*b*) If a repayment be made in the year of deposit the balance will lapse at the close of the year following the year of deposit irrespective of a repayment being made in the latter year or not.

(*c*) If no repayment be made in the year of deposit, and one is made in the year immediately following, the balance will lapse at the close of the account year following the latter, *i.e.*, at the close of the second account year following the year of deposit, irrespective of a repayment being made in that year or not.

Gollahalli being only four miles from Nelamangala, it is undesirable to have a sante there, as the Municipal income suffers.

2. Letter No. 588—151-03-04, dated 17th August 1907, from the Military Assistant requesting to approve of the nomination of four cattle pound-keepers in the Hessarghatta grass farm and to be informed of the arrangements which have been made for the erection of four cattle-pounds there.

3. Docket No. 1114, dated 23—24th August 1907, from the Senior Surgeon, requesting to raise the rent of Varthur Hospital from Rs. 3 to 5.

REVENUE DEPARTMENT.

Circular No. 8774-81, dated 12—19th February 1908.

In inviting attention to Government Proceedings No. R. 3938-47—L. R. 201-07-2, dated 27th December 1907, sanctioning the temporary grant of select patches of village gomal for sowing gram, etc., and approving of the Rules proposed therefor, the undersigned requests the Deputy Commissioners and their subordinate officers to give wide publicity to these rules and to induce villagers to avail themselves largely of the opportunity thereby afforded for raising additional crops and improving at the same time the village gomal. The endeavours made by the taluk and village officers and the result thereof should be referred to in the Jamabandi reports.

Rules for the temporary grant of select patches of gomal land for gram cultivation :—

1. Whenever the whole body of raiyats in a village agree to take up a portion of their gomal land for temporary cultivation, they may apply for the same through the patel or recognised headman.
2. The application should be prepared in the form annexed and the shanbhog must fill up the particulars required at the instance of the raiyats.
3. The application should be presented before the Amildar in person by the villagers or their representative. The Amildar will at once verify the facts contained in the application and submit the application with his recommendation for the orders of the Sub-Division Officer. The assessment leviable should also be proposed, based on the average assessment on dry land in the neighbourhood.
4. The Sub-Division Officer will scrutinise the application without delay and, if there is no objection, order the grant of the land, fixing the assessment to be recovered.
5. On receipt of orders, the Amildar will grant a temporary *Saguvali chit* in the name of the recognised representative of the villagers who will be liable to pay the assessment imposed thereon.

Provided that where there is not sufficient time for the previous observance of these formalities, the villagers may proceed to occupy and plough the land after presenting the application to the shanbhog and patel for immediate despatch to the taluk on the express condition to be stated in the application that they will abide by the orders of the Sub-Division Officer on their application.

6. The villagers must arrange among themselves for apportioning the area granted for cultivation and the recognised representative may collect the proportionate assessment from the raiyats.

7. Before the crop is harvested, the assessment imposed under Rule 4 should be paid up to Government and the Amildar shall have the power to prohibit the removal of the crop before payment of assessment.

In case of default, the crop may be sold by him, the sale being reported to the Sub-Division Officer within seven days from the date of such sale for confirmation. When the sale is confirmed, the excess amount realised, if any, over the assessment due, may be made over after notice to the villagers, to their representative. Should there be a deficiency, the amount of assessment still due may be ordered to be remitted by the Deputy Commissioner.

In sanctioning the grant, the following rules must be strictly adhered to:—

(a) The area of land granted for cultivation in any particular year should lie fallow during the next two years. This can be conveniently arranged by dividing the whole gomal of a village into three distinct plots and granting one plot each year so that by rotation each plot will be brought under cultivation every third year.

(b) The crop to be sown must invariably be confined to gram.

(c) Cultivation should on no account be allowed where it would lead to the destruction of scrub jungles or seedlings of trees.

MISCELLANEOUS.

NOTES OF INSPECTION OF THE BANGALORE CITY CO-OPERATIVE BANK.

Date of inspection.—This Bank was inspected on several days between the 6th January and 3rd February 1908; and the inspection was confined to the working of the Bank during the period from April 1907 to the end of December 1907.

Members.—The Bank was registered on the 6th April 1907. At the time of the registration, there were thirty members and the subsequent admissions increase the number to 156 on the 1st January 1908, excluding three persons who resigned their memberships during the same period. One member resigned as he was not allowed to transfer his share before the end of one year, one was transferred to another place and the third resigned as he failed to pay punctually the monthly share subscription In all the three cases the paidup share amount has been returned to the respective members. Of the 156 members on the register three are Brahmin ladies.

According to profession or calling the total number of members may be classified as follows :—

Profession.	*No.*
In Government service	108
Employed in aided educational institutions	6
Private firms	3
Merchants	10
Artizans	2
Contractor	1
Pleaders and Advocates	10
Government Pensioners	5
Land-holders	6
Journalists	2
Students	3
Total ...	156

Shares.—During the period of nine months the Bank collected Rs. 2,727 towards share subscription and Rs. 246 for entrance fees. The amount of share subscription refunded during the period was Rs. 74.

Business.—The Bank confined itself to the business of granting loans to the members, and to the receiving of deposits from members and others.

Loans.—Of the three kinds of loans mentioned in the By-laws, *i. e.* (1) Permanent loans, (2) Temporary loans, (3) Small lot loans, the Bank has at present confined itself to the last two classes of loans only.

Temporary loans.—Under this head, up to the end of December 1907, Rs. 4,543-14-3 has been issued to members and Rs. 1,042-4-0 recovered from them. Out of this amount, Rs. 204 was lent to five persons on the security of jewels valued at Rs. 342. The total amount outstanding on 1st January 1908 against the members was Rs. 3,501-10-3, out of which only Rs. 45 was overdue for very short periods from two members. The total amount of interest realized on this kind of loan was Rs. 236-6-11.

Rule 48 (*e*) of the By-laws of the Bank *re* the grant of loans to members on the security of another member to the extent of Rs. 50 on each share held by him, requires to be worked with very great care. There is the danger of a member taking more shares than he needs merely for the sake of obtaining larger credit. As long as the Bank does not insist upon knowing the purpose for which a loan is asked, any unusual facility for credit that may exist should be specially guarded against its being abused. The solvency of a member cannot [illegible] ways be judged by the nominal value of the shares held by him, and it is desirable that [illegible] Directors should freely exercise their discretion in rejecting sureties unless they are satisfa[illegible] ory in every respect.

Small-lot loans.—Under this head, the total amount issued to members during the pe[illegible] was Rs. 3,295, out of which Rs. 2,760 has been repaid. The amount outstanding agains[illegible] members on 1st January 1908 was Rs. 535, out of which Rs. 50 was overdue. The int[illegible] realized on this class of loan amounted to Rs. 39-10-6.

Deposits.—During the above period of nine months the Bank received Rs. 600 in the s[illegible] of fixed deposits from the members and others. The interest paid on these deposits [illegible] Rs. 2-11-9. The total amount of current deposits from the members amounted to Rs. 5,7[illegible] out of which Rs 4,136 was withdrawn from the Bank. The balance remaining in the Bank [illegible] the credit of the members was Rs. 1,655. The interest paid till the 1st January 1908 was o[illegible] Re. 0-2-0 and the Bank has yet to pay about Rs. 13-12-0 towards the interest on th[illegible] deposits.

Miscellaneous Receipts.—The sale of the printed copies of Bye-laws and Rules of the Ba[illegible] brought Re. 0-7-6 as miscellaneous receipts.

Establishment—The Bank spent nothing on this account till 1st. December 1907. Subsequently a clerk on Rs. 7 per month was appointed for a period of three months from 4th December 1907. A house rent of Rs. 8 per month is paid for the building in which the Bank office is located.

Meetings of Directors—There was one meeting of the Directors prior to the registration of the Bank and 34 meetings have been convened afterwards.

General Meetings.—On the 27th March 1907, a general meeting was held to elect the Office-bearers of the Bank and on the 13th April there was another meeting when the Bye-laws of the Bank approved by the Registrar of Co-operative Societies were passed.

Receipts and expenditure—The total receipts of the Bank for the period in question as per Cash Book amounted to Rs. 14,945-2-11 and the expenditure to Rs. 14,644-10-9. The expenditure includes a sum of Rs. 2,150 deposited in the Government Savings Bank and Rs. 5 in the hands of the Secretary as a permanent advance under the receipts, is included a sum of Rs. 1,400 withdrawn from the Savings Bank. These items cannot be regarded as constituting real items of receipts and expenditure. A statement showing the receipts and expenditure to and from the Bank is appended hereto.

Profit and Loss.—The amount of profits earned by the Bank during the period of eight months ending with 31st December 1907 is roughly calculated to amount to Rs. 63-11-2.

General remarks.—It is satisfactory to note that the affairs of the Bank have been conducted efficiently and economically by the Directors.

MISCELLANEOUS.

NOTES OF INSPECTION OF THE BANGALORE CITY CO-OPERATIVE BANK.

Date of inspection.—This Bank was inspected on several days between the 6th January and 3rd February 1908, and the inspection was confined to the working of the Bank during the period from April 1907 to the end of December 1907.

Members.—The Bank was registered on the 6th April 1907. At the time of the registration, there were thirty members and the subsequent admissions increase the number to 156 on the 1st January 1908, excluding three persons who resigned their memberships during the same period. One member resigned as he was not allowed to transfer his share before the end of one year, one was transferred to another place and the third resigned as he failed to pay punctually the monthly share subscription. In all the three cases the paidup share amount has been returned to the respective members. Of the 156 members on the register three are Brahmin ladies.

According to profession or calling the total number of members may be classified as follows :—

Profession.	*No.*
In Government service	108
Employed in aided educational institutions	6
Private firms	3
Merchants	10
Artizans	2
Contractor	1
Pleaders and Advocates	10
Government Pensioners	5
Land-holders	6
Journalists	2
Students	3
Total ...	156

Shares.—During the period of nine months the Bank collected Rs. 2,727 towards share subscription and Rs. 246 for entrance fees. The amount of share subscription refunded during the period was Rs. 74.

Business.—The Bank confined itself to the business of granting loans to the members, and to the receiving of deposits from members and others.

Loans.—Of the three kinds of loans mentioned in the By-laws, *i. e.* (1) Permanent loans, (2) Temporary loans, (3) Small lot loans, the Bank has at present confined itself to the last two classes of loans only.

Temporary loans.—Under this head, up to the end of December 1907, Rs. 4,543-14-3 has been issued to members and Rs. 1,042-4-0 recovered from them. Out of this amount, Rs. 204 was lent to five persons on the security of jewels valued at Rs. 342. The total amount outstanding on 1st January 1908 against the members was Rs. 3,501-10-3, out of which only Rs. 45 was overdue for very short periods from two members. The total amount of interest realized on this kind of loan was Rs. 236-6-11.

Rule 48 (e) of the By-laws of the Bank *re* the grant of loans to members on the security other member to the extent of Rs. 50 on each share held by him, requires to be worked very great care. There is the danger of a member taking more shares than he needs ely for the sake of obtaining larger credit. As long as the Bank does not insist upon knowg the purpose for which a loan is asked, any unusual facility for credit that may exist ould be specially guarded against its being abused. The solvency of a member cannot alys be judged by the nominal value of the shares held by him, and it is desirable that the ectors should freely exercise their discretion in rejecting sureties unless they are satisfactin every respect.

Small-lot loans.—Under this head, the total amount issued to members during the period s Rs. 3,295, out of which Rs. 2,760 has been repaid. The amount outstanding against the bers on 1st January 1908 was Rs. 535, out of which Rs. 50 was overdue. The interest zed on this class of loan amounted to Rs. 39-10-6.

Deposits.—During the above period of nine months the Bank received Rs. 600 in the shape fixed deposits from the members and others. The interest paid on these deposits was . 2-11-9. The total amount of current deposits from the members amounted to Rs. 5,791, t of which Rs. 4,136 was withdrawn from the Bank. The balance remaining in the Bank at e credit of the members was Rs. 1,655. The interest paid till the 1st January 1908 was only . 0-2-0 and the Bank has yet to pay about Rs. 13-12-0 towards the interest on these posits.

Miscellaneous Receipts.—The sale of the printed copies of Bye-laws and Rules of the Bank brought Re. 0-7-6 as miscellaneous receipts.

Establishment.—The Bank spent nothing on this account till 1st December 1907. Subsequently a clerk on Rs. 7 per month was appointed for a period of three months from 4th December 1907. A house rent of Rs. 8 per month is paid for the building in which the Bank office is located.

Meetings of Directors.—There was one meeting of the Directors prior to the registration of the Bank and 34 meetings have been convened afterwards.

General Meetings.—On the 27th March 1907, a general meeting was held to elect the Office-bearers of the Bank and on the 13th April there was another meeting when the Bye-laws of the Bank approved by the Registrar of Co-operative Societies were passed.

Receipts and expenditure.—The total receipts of the Bank for the period in question as per Cash Book amounted to Rs. 14,945-2-11 and the expenditure to Rs. 14,644-10-9. The expenditure includes a sum of Rs. 2,150 deposited in the Government Savings Bank and Rs. 5 in the hands of the Secretary as a permanent advance under the receipts, is included a sum of Rs. 1,400 withdrawn from the Savings Bank. These items cannot be regarded as constituting real items of receipts and expenditure. A statement showing the receipts and expenditure to and from the Bank is appended hereto.

Profit and Loss.—The amount of profits earned by the Bank during the period of eight months ending with 31st December 1907 is roughly calculated to amount to Rs. 63-11-2.

General remarks.—It is satisfactory to note that the affairs of the Bank have been conducted efficiently and economically by the Directors.

12. Read—(1) Sanitary Commissioner's No. 639-46, dated 26th August 1907, requesting reference to para 3 (9) of Government Proceedings No. 1378-92—San. 93-06-8, dated 10th August 1907, and asking for proposals as regards the formation of and the duties and powers to be delegated to the new District Sanitary Board and the funds to be administered by that body.

(2) Government Order No. 1378-92—San. 93-06-8, dated 10th August 1907, sanctioning the scheme for the constitution of a Department of Public Health in the State.

(3) Sanitary Commissioner's letter No. 2090-97, dated 7th January 1908, enquiring if the Sanitary Inspectors have been put under the District Medical and Sanitary Officer pending the appointment of a District Sanitary Officer.

Proposed by Mr. Ramanuja Iyengar that the members should have time to consider the matter and that a Committee be appointed for the purpose as the question greatly affected the position and powers of the Board supported by other members. It was argued that not very long ago the Government passed a Local Boards Regulation and a Municipalities Regulation with the object of securing a substantial measure of independent non-official opinion and co-operation and secure as far as possible the benefits of what is known as Local Self Government. The proposed new Sanitary Board and the Central Board seem to cut against the principles of Local Self Government. Hitherto the Local Boards dealt directly with the Government but now the proposed Local Sanitary Board will sit over them and over that Board again will sit the Central Sanitary Board at Bangalore and these two Boards are sure to take away much of the prestige of the Taluk and District Boards. Eventually the new Boards will assume to themselves considerable authority over the Local Boards. It cannot be said that the members of the Local Boards have been unmindful of their duties and responsibilities in regard to sanitation. They have recognized the benefits of wholesome supplies of drinking water, of free light and air, of proper drainage and high and dry surroundings and other matters concerning public health. With daily advancing notions of Hygiene and Sanitary Engineering and with the plague to insist on those notions taking a practical form, what the Local Boards and Municipalities require is not so much the help of Medical men as of Engineers with a knowledge of Sanitary Science. Last year or the year before was discussed here in another connection the comparative usefulness of Sanitary Medical Officers and of Sanitary Engineers and the Board were of opinion that Sanitary works for the improvement of the sanitation of towns and villages was more the province of the Engineer than of the Medical man. With advancing Education, Bacteria and other causes of ill health were getting better known. The evils of damp and unclean surroundings and the paramount importance of wholesome drinking water have been recognised all over the Province for many years past without the help of a Central Sanitary Board at Bangalore. The Government budgets will show the large amounts spent year after year in towns and even remote villages upon drainage and drinking water, upon the acquisition of insanitary houses and house sites and of new high and dry sites for new dwellings.

If ideal progress has not been attained, it is not so much the fault of the various public bodies concerned as of their limited resources. In this meeting has been read and accepted with thanks a special allotment by Government for fresh water supply. Government have all along recognized the importance of measures tending to public health and have never been slow to supplement the resources of Local Boards from other sources and they were not advised thereto by any Special Board at Bangalore or at District Head-quarters.

It is respectfully asked that the present functions of the Boards be allowed to continue. It is earnestly suggested for consideration if the present Municipal and other Boards are not really so many Sanitary Boards in every sense of the expression. It is not possible to gainsay the benefits of employing men trained in Sanitary Science and Government have not been backward in recognizing this fact. They sanctioned a scheme of Sanitary Inspectors and Assistant Inspectors sometime ago. These officials with the aid of the local Engineering and Medical Officers and of the President and Vice President and the gentlemen forming the Boards should be enough to secure the objects of Government in the way of sanitation. It is respectfully suggested that Government be pleased not to subordinate the Board to a single Departmental Head or to a collection of Departmental Heads at Bangalore but to be pleased to allow the Board as hitherto carry out all their measures of sanitation in direct correspondence with Government and thereby continue to them the prestige hitherto enjoyed.

The Board feel assured that should there be any drawbacks in their measures of sanitary improvement, they would be found upon examination to be defects due to want of funds rather than to other causes. If more moneys could be granted to works more progress than has been achieved in the past could be shown. Should Government be pleased to decide finally that a District Sanitary Officer should be appointed, the Board beg that he may be made entirely subordinate to them, to be appointed by them and to be removed from office by them. The Board fear that para 3 (6) of the Government Order might lead to unnecessary friction and unpleasantness between the District Boards and the Sanitary Boards and they earnestly beg that the age, experience and intelligence and knowledge of local requirements possessed by the members of the Board may not be subjected to the whims and fancies of District or Divisional Sanitary Officers with more Departmental ardour than sympathy with the people or knowledge of local wants.

The Board beg to suggest that these views and the Senior Surgeon and Sanitary Commissioner's communications to Government be sent round to all Municipal, Taluk and District Boards in the Province and their views obtained before bringing into force the Senior Surgeon and Sanitary Commissioner's views. The Board with their knowledge of what has been achieved in the past in this State in matters relating to hygiene and public health and of what is being done at the present moment, are unable to concur with the Senior Surgeon and Sanitary Commissioner's wholesale condemnations of both Government and Board and their measures.

RECEIPTS.

1907-08 Rs.	1908-09 Rs.	
6,500	7,000	*I. Octroi.*—(*a*) *Fresh cocoanuts.*—The trade in this commodity is gradually rising in the City owing to the increased demand. Hence a sum of Rs. 500 in excess of the estimate sanctioned for the current year is estimated for 1908-09.
10,000	10,500	(*b*) *Tobacco—local and foreign.*—Attempts have been made and with some success to put down the smuggling of this article into the City by carefully watching the movements of those that deal in it. Proposals to prevent the clandestine importations of tobacco are in course of submission and when the same meet with the approval of Government, there is every likelihood of the revenue rising still higher under this head. The present increased estimate of Rs. 500 is made with due regard to the introduction of a new system of patrol approved by the Council.
		(*c*) *Roofing Tiles—Mangalore pattern.*—There is a great desire on the part of the people building houses for Mangalore tiles in preference to those made in the City-Tile Works: and the realization under this head during the first half of 1907-08 support the present increased estimate of Rs. 60 for the ensuing year.
	30,000	(*d*) *Piece-goods.*—The actuals of 1906-07 and those of the first six months in 1907-08 show that the trade under 'Piece-goods' is steadily increasing year by year, owing to the larger demand in the market. A sum of Rs. 4,000 in excess of the current year's estimate has therefore been estimated under this head for the ensuing year.
	50	(*f*) *Oats.*—The increased estimate under this head is based upon the actuals of the first six months of the current year.

	100	*II. Storage fees.*—Under the new Octroi By-Law now under the consideration of the Council, the consignees of goods are required to remove their articles from the Bonded Warehouse within a prescribed period on pain of paying enhanced rates if they should fail to do so. Further, the actuals of the first half of the current year support the increased [illegible]mate under this head.
		'II. 300	200	*VII. Mohatarfa.*—(c) *Oil-mills.*—In the interests of the public, applications for putting up oil-mills in certain localities are not being encouraged. This accounts for the decrease in the estimate under this head.
50	100	*IX. Fines.*—The estimate under this head is raised by Rs. 50 as by the new system of patrol to be introduced in the City, more cases of smuggling of dutiable articles are likely to be detected and placed before the Magistrate for punishment.
500	200	*X. Miscellaneous, Sale of lands.*—Persons desirous of building houses are of late going in for si in the Extensions in preference to those in the C and the demand for lands in the City is there small. The formation of another Extension bet the Chamarajendrapet and the Basavangudi F sions has further reduced the demand. He estimate is reduced by Rs. 300.
5,000	1,500	*Land Revenue and Local Cess.*—The under Land Revenue and Local Cess has af introduction of resurvey in the Bangalore gone down, the actuals for 1906-07 being Rs. only. The causes of the fall in revenue are course of enquiry. Pending the result of inv tion of this question the figures of 1906-0 been adopted.

This accounts for the increased provision of Rs. 3,120 under this head.
12,000	14,000	(c) *Ordinary repairs of roads.*—An excess provision of Rs. 2,000 is made under this head to meet the pay of a permanent gang for each of the two Extensions and to the purchase of materials required to maintain the roads in those Extensions in proper order.

V. (1) Read para 8 of Government Proceedings No. 1378-92—San. 93-06-8, dated 10th August 1907, concerning the delegation of additional duties and powers to the Central and District Sanitary Boards, and the funds to be administered by them after consulting the Municipal and District Boards and the Central and District Sanitary Boards.

(2) Read also Sanitary Commissioner's No. 2803, dated 4th February 1908, on the above subject.

Resolution.—Resolved that this Board are of opinion that the District Sanitary Board should be a purely advisory body and that the Sanitary Inspector in each taluk should be still under the direct orders of the President of the District and the Municipal Boards, since the Government have directed that the Work Inspectors' posts should be abolished, when there will be no one to supervise the District Fund and Municipal works other than sanitary works; but the District Sanitary Officer would nevertheless supervise the execution of sanitary works.

Further resolved that the Board are of opinion that the non-execution of sanitary works has long been due to the want of funds rather than to the want of supervision and that unless the Government are prepared to allot additional funds to supplement the District Funds, very little can actually be done in the direction of improvement of sanitation even though the staff be increased.

V. (A) Read Sanitary Commissioner's docket No. 2474-80, dated 23rd January 1908, requesting that arrangements may be made to reduce the frontier Plague staff by the transfer to frontier taluks of qualified Sanitary Inspectors from other taluks, etc.

Resolution.—Resolved that this Board cannot at present find provision in its funds to appoint an additional Sanitary Inspector in this district for the Manjarabad Taluk. Owing to the importance of Arsikere as a place where there is a Railway Station and consequently frequent out-break of epidemics, the services of the Sanitary Inspector are very necessary and hence it is not possible to transfer him for the present.

VI. Read General and Revenue Secretary's docket No. 6566—L. B. 204-07-1, dated the 10th January 1908, requesting the submission of a report in consultation with the District Board, as regards Subject No. 132 of the Dasara Representative Assembly of 1907, concerning the reduction of fines on impounded cattle in the malnad.

necessary to operate as a sufficient deterrent against cattle-trespass which causes much damage particularly in coffee estates.

VII. Read the General and Revenue Secretary's docket No. 6684—L. B. 219-07-1, dated the 13th January 1908, requesting the submission of a report as to whether the District Board is now in a position to undertake the work of constructing a road from Hole-Narsipur to Channarayapatna *vide* Subject No. 279 of the Dasara Representative Assembly of 1907.

VIII. Read the General and Revenue Secretary's docket No. 7818—Med. 140-07-2, dated the 7th February 1908, requesting that necessary action may be taken in the matter of constructing in-patient wards to the Female Dispensary at Hassan, in consultation with the District and Municipal Boards and the Chief Engineer *vide* Subject No. 267 of the Dasara Representative Assembly of 1907.

X. (1) Read the Revenue Commissioner's O. M. No. 5441, dated the 22nd November 1907, forwarding for report a petition from the raiyats of Hulkal in the Arkalgud Taluk, complaining of the bad condition of the Arkalgud-Konanur road.

(2) Read also the Chief Engineer's No. 8706, dated the 16th December 1907, concerning the same subject.

Resolution.—Resolved that the road in question is not a recognised District Fund road, nor is it maintained from District Funds. The Amildar of the Arkalgud Taluk will be requested to induce the villagers to improve this cart-track along the portions passing through their respective village limits.

XI Read Executive Engineer's docket No. 3146—264, dated the 18th—21st November 1907, forwarding a special improvement estimate of Channarayapatna-Sravanabelagola road, amounting to Rs. 2,181, and requesting that a special grant may be allotted for the work as otherwise the road may require more expenditure later on.

Resolution.—Resolved that, for want of funds, it is not possible to provide any special grant for this road and the Executive Engineer will be requested to improve it as far as possible from the annual grant of Rs. 50 per mile.

XII. Read Executive Engineer's No. 3292—278, dated the 28th November—2nd December 1907, forwarding an estimate amounting to Rs. 197 for widening two rough stone tunnels in Channarayapatna-Narsipur-Kodlipet road and applying for additional funds.

XIV. Read Executive Engineer's docket No. 3503—298, dated 17th—22nd December 1907, forwarding for countersignature an estimate amounting to Rs. 795, for deviating the road at ¾ mile of Manjarabad-Kodlipet road and requesting that a special provision may be made from other sources for this urgent work.

Resolution.—Resolved that the Board regret that it is impossible now to find funds for this work of diversion of the road at the heavy cost of Rs. 795, and suggest that a means be devised by the Executive Engineer to make the existing trace of the road passable at the point mentioned, at a moderate cost.

XV. Read Executive Engineer's docket No. 3549—304, dated the 26th December 1907, forwarding for countersignature, an estimate amounting to Rs. 238 for repairing the 3rd class travellers' bungalow at Chikanhalli in Belur Taluk.

Resolution.—Resolved that the cost of repairs will have to be met from the amount allotted under A. P. W. "II. Repairs, Reserve," as no other funds are available and it cannot be undertaken this year.

XVI. Read Executive Engineer's docket No. 7—1, dated 29th December 1907—2nd January 1908, requesting that additional funds to the extent of Rs. 1,000 may be placed at his disposal during the current year, under A. P. W. "II. Repairs and communications" so as to enable him to sanction such urgent works as the repairing of the 3rd class travellers' bungalow at Dandiganahalli at a cost of Rs. 330.

Resolution.—Resolved that owing to immediate urgency for repairs to the third class travellers' bungalow at Dandiganahalli, at a cost of Rs. 330, the provision of Rs. 150, under "X. Miscellaneous, (6) Supply of boats to ferries" be transferred to "A.

Resolution.—Resolved that funds are not available to meet the cost of such a large estimate which will be returned to the Executive Engineer for modification.

XX. (1) Read Executive Engineer's docket No. 3191—269, dated 21st—23rd November 1907, stating that the old bund of the Kamasamudra tank, Register No. 150 of the Arsikere Taluk, was being used by the villagers for carting manure, etc., and since the bund will now be raised to the standard height with a top width of 6 feet, it will not be possible for carts to go over the raised bund unless it is now made wider. This increase of width is estimated to cost about Rs. 1,632 and if provision can be made from District Funds, the bund will be given the extra width.

(2) Read also correspondence ending with the General Assistant Commissioner's yadi No. 1073, dated the 12th January 1908, intimating that the raiyats request that the bund be widened but that they are unable to pay any contribution towards this cost.

ತಾರೀಖು 21ನೆ ಫೆಬ್ರುವರಿ 1908.

ಆಡಿಟರ ರಿಪೋರ್ಟು.

1. ಈ ತಿಂಗಳು 19—2—1908ರಲ್ಲು ಜನವರಿ ಮಾಹೆ ಲೆಖ್ಖವನ್ನು ಓಜರನ್ನು ಆಡಿಟ್ ಮಾಡುವಲ್ಲಿ ವಾಟರಿಂಗ್ ಛಾರ್ಜ್ ವಿಷಯ ಬಜ್ಜಟ್ಟಿನಲ್ಲಿ ಅಲಾಟು ಮಾಡಿದೆ. ಇದಕ್ಕೋಸ್ಕರ ಬರ್ಕ್ ಅಂಡ್ ಕೋ ಯವರ 195 ರೂಪಾಯಿ ವಾಟರಿನ ಗಾಡಿಯನ್ನು 225 ರೂಪಾಯಿ ಬಂದು ರೋಲರನ್ನು ಬಟ್ಟು 420 ರೂಪಾಯಿ ಖರ್ಚು ಬಿದ್ದಿದೆ. ನ್ಯಾಯವಾಗಿ 195 ರೂಪಾಯಿ ಬಜ್ಜಟ್ಟು ಅಲಾಟ್‌ಮೆಂಟಿನಲ್ಲಿ ನಮೂದುಮಾಡಿರುವ ಪ್ರಕಾರ ಆಯಾಯ ಹೆಡ್ಡಿನಲ್ಲಿ ಬೀಳದೆ ವಾಟರು ಹೆಡ್ಡಿನಲ್ಲಿ ಬೀಳಬೇಕಾದ ಮೊಬಲಗು ಕಂಡು ರಿಪೇರಿ ಹೆಡ್ಡಿನಲ್ಲಿ ಬೀಳುವದಕ್ಕೆ ಏನು ಕಾರಣ—

2. ಇಂಪ್ರೆಸ್ಟು ಓಜರು ನಂ. 22-23—16-1—1908 ಎರಡು ಸೇರಿ 0—7—6 ಇದು ಲೈಟಿಂಗ್ ಛಾರ್ಜಿಗೆ ಓಜರಿನಲ್ಲಿ ಆಗಬೇಕಾದ್ದನ್ನು ಈ ಫಂಡು ಹೆಡ್ಡಿನಲ್ಲಿ ಬಿದ್ದು ಇರುತ್ತೆ. ಇದು ತಿಂಗಳ ಕ್ಯಾಷು ಬುಕ್ಕಿಗೂ ಸರಾಫನ ಕ್ಯಾಷು ಬುಕ್ಕಿಗೂ ವ್ಯತ್ಯಾಸವಾಗಿರುತ್ತೆ. ಪೇಜು 157 ಸರಾಫು ಕ್ಯಾಷ್ ಬುಕ್ಕು.

(1) 15—3—7 ಈ ಮೊಬಲಗು ಡ್ರೈನು ವರ್ಕಿನ ಓಜರು ನಂ. 5—4-1-08ನಲ್ಲಿ ಬಿದ್ದಿದೆ. ಮೇಲ್ಕಂಡ ಮೊಬಲಗು ಸರಾಫು ಕ್ಯಾಷ್ ಬುಕ್ಕಿನಲ್ಲಿ ಅದರ ವರ್ಕ್ ರಿಪೇರಿ ಹೆಡ್ಡಿನಲ್ಲಿ ಬಿದ್ದಿರುತ್ತೆ. ಪೇಜು ನಂ. (115)

(2) 6—13—10 ಓಜರು ನಂ. 4—4-1-08 ಈ ಮೊಬಲಗು ಅದರ ವರ್ಕ್ ರಿಪೇರಿನಲ್ಲಿ ಬಿದ್ದಿರುತ್ತೆ. ಸರಾಫು ಕ್ಯಾಷ್ ಬುಕ್ಕಿನಲ್ಲಿ ಕರ್ಸರ್ವೇಸಿ ಅದರ ಛಾರ್ಜಿನಲ್ಲಿ ಬಿದ್ದಿರುತ್ತೆ. ಪೇಜು 115 ಸರಾಫು ಕ್ಯಾಷ್ ಬುಕ್ಕು.

ಈ ಮೇಲ್ಕಂಡ ಮೂರು ಐಟಂಗಳನ್ನು ಬಾಬು ಹೊರಳೆ ಆಗಿ ಕ್ಯಾಷು ಬುಕ್ಕಿನಲ್ಲಿ ದಾಖಲಾಗಿ ಇರುವದರಿಂದ ತಿಂಗಳ ಕ್ಯಾಷ್ ಅಕೌಂಟಿನಲ್ಲಿ ಚಿತ್ತುಗಳು ಆಗುವದಕ್ಕೆ ಕಾರಣವಾಗಿರುತ್ತೆ. ಬಿಲ್ಲುಗಳಲ್ಲಿ ಯಾವ ಹೆಡ್ಡಿನಲ್ಲಿ ಯಾವ ಹೆಡ್ಡುಗಳಿಗೆ ಮೊಬಲಗು ದಾಖಲಾಗಬೇಕೋ ಅದನ್ನು ಖರ್ಚು ಹಾಕುವದಕ್ಕಿಂತ ಮುಂಚೆ ಈಚೆಗೆ ಆಯಾಯ ಹೆಡ್ಡಿಗೆ ದಾಖಲಾಗತಕ್ಕದ್ದು ಯುಕ್ತವಾಗಿರುತ್ತೆ. ಹಾಗೆ ಮಾಡದೆ ಮೊದಲು ಸ್ಯಾಂಕ್ಷನ್ ಆದ ಹೆಡ್ಡು ತಪ್ಪಿಸಿ ಬ್ಯಾರೆ ಹೆಡ್ಡಿನಲ್ಲಿ ದಾಖಲ್ ಮಾಡುವದಕ್ಕೆ ಏನು ಕಾರಣವೋ ಗೊತ್ತಿಲ್ಲಾ.

3. ಮಂಡಿ I-IIನೆ ಡಿವಿಜ್ ಕ್ರೋಧಿ-ವಿಶ್ವಾವಸು ಸಾಲಿನ ಖರಿದಿ ಗೈರ್‌ವಿಲಿಯಾಗಿರುತ್ತೆಂದು ತಿಳಿದುಬರುತ್ತೆ. ಇದಕ್ಕೆ ಮುಖ್ಯಕಾರಣ ಆಫೀಸಿನಲ್ಲಿ ಎಲ್ಲಾ ಮೊಹಲ್ಲಾಗಳ ಜನರಲ್ ಖಾತೆ ಖರ್ದಿ ಇಲ್ಲದೆ ಇರುವದರಿಂದಲೆ ಗೈರ್ವಿಲಿಗೆ ಅವಕಾಶವಾಗುತ್ತೆ.

4. IIನೆ ಡಿವೀಜ್ ವಿಶ್ವಾವಸು ಖಾತೆಯಲ್ಲಿ ನಂ. 1—1789ನಲ್ಲಿ ಕೆಂಪು ಶಾಯಿನಿಂದ ಹಿಂದುಸ್ಥಾನಿಯಲ್ಲಿ ಬರದಿದೆ. ಇದನ್ನು ಬರಿಯುವದಕ್ಕೆ ಕಾರಣ ಗೊತ್ತಾಗಲಿಲ್ಲ.

5. ವಸೂಲಿ ಖಾತೆ ಬುಕ್ಕಿಗೆ ಪ್ರಿಂಟು ನಂಬರುಗಳಿಲ್ಲಾ ಮತ್ತು ಅನೇಕ ಪೇಜುಗಳಲ್ಲಿ ಲೆಖ್ಖಗಳನ್ನು ಹೊಡದು ಚಿತ್ತುಗಳು ಆಗಿರುತ್ತೆ. ಇದರ ವಿಷಯದಲ್ಲಿ ಸರಿಯಾಗಿ ಲೆಖ್ಖವಿಡುವ ಸಿಸ್ಟಮ್ಮನ್ನು ಮಾಡಿಸುವದು ಯುಕ್ತವಾಗಿರುತ್ತೆ.

(a) Rs. 26-8-0 is the amount adjusted against the advance of Rs. 100 made to the Chief Plague Officer, Mysore, for payment to the cholera contacts (*Vide* President's No. 5 C., dated 31st July 1907 para III). This amount though it was not drawn afresh from the Treasury was thought as such and wrongly debited in the accounts for April 1907 to A. R. To adjust the said wrong debit minus entry was made here.

Addendum and Corrigendum dated 30th March 1908, to Civil Rule of Practice No. 129, dated 22nd October 1906.

In para 15, for the words "the Cash Book. Deposit Register and the Remittance Register" the words "Cash Book and the Deposit Register" shall be substituted.

For the 3rd para under the head "the Cash Book," the following shall be substituted.

Five new columns are opened on each side of the account. The items which are classified under seven heads denoted by the letters A to G are all entered in column 3 of the receipt and 8 on the disbursement side. Entries of all monies paid into Court in cash by the parties or withdrawn from the Treasury shall be made on the receipt side in columns 3 and 4 and entries of all cash payments made out of monies received from parties or withdrawn from the Treasury shall similarly be made on the disbursement side in columns 8 and 9.

For the paragraph beginning with the words "to post the Cash Book," the following shall be substituted.

1. The Cash Book is provided with two columns (5 and 10), one on the credit side and another on the debit side for posting daily every sum of money paid into or out of Court. The money transactions therein have been classified into seven heads A to G as indicated at the top of every page of this book. Payments of the amounts of decrees made in accordance with Rules 2 to 4 of the aforesaid Rule of Practice shall not be entered in the Cash Book.

2. Receipt items classed as (A) should be finally debited in this register as they are remitted to the Treasury for credit as deposit, the number of the Receipt order and date being noted against the items concerned in column 11.

3. As entries of each item are made on the credit or debit side, the class to which each item relates should be indicated in columns 3 and 8, by letters only.

4. Entries of the transactions classed as G should not be ledgered, as a separate pass book is maintained therefor.

5. The Cash Book should be closed daily as stated in para 14 of the above mentioned Rule of Practice. The method of closing it should as follows :—

Receipt side.	*Disbursement side.*
Total receipts for the day.	Total disbursement for the day.
Add opening balance.	Add closing balance.
Grand Total	Grand Total

6. When items of Cash Book receipts are spent the same day they should be ticked off with red pencil or ink. Only items not so marked will be entered in the petty ledger of outstanding cash items.

The last paragraph under the head "The Cash Book" which runs as follows "The Cash Book will be closed daily as stated in Rule XIV" shall be omitted.

The note appended to the para headed "The Deposit Register" shall be omitted.

In the first sentence in the para headed "The Ledger," insert the word "and" between "the Cash Book" and "the Deposit Register" and omit the words "and the Remittance Register."

The following paras shall be inserted after the para headed "The Ledger."
"To post the ledger."

1. The ledger should be paged as usual, but cases should be entered just as the first transactions of each case occur, without regard to their numbers or years on the Court file. Thus, if on 1st July, there are disbursements in Cases Nos. 22 of 1905-06 and 50 of 1904-05 and receipts in Cases Nos. 25, 10 and 106 of 1908-09, the first entry in the ledger will relate to Case No. 22 of 1905-06, the second to Case No. 50 of 1904-05 and the 3rd, 4th and 5th respectively to Cases Nos. 25, 10 and 106 of 1908-09. No separate serial number should be attached to these ledgers. Sufficient space should be reserved for all future entries relating to each case.

2. It is sufficient to insert the symbolic letter to show the class of transactions in columns 4, 7, 11 and 14 of the ledger.

3. The amount of balance in each case should be noted in columns 9 and 16 of the ledger each time after posting up any cash and deposit transactions.

4. Every year, all the cases in which there is any outstanding balance should be first entered in the new ledger, and the new cases should be entered up subsequently every day as they occur.

Notification No. 8300, *dated 4th April* 1908.

SALE OF SEPARATE ARRACK SHOPS FOR 1908-09.

Notice is hereby given that the exclusive privilege of selling arrack in the several shops appointed for the purpose during the twelve months beginning 1st July 1908 and ending 30th June 1909, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the taluk or sub-taluk head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit must be made by each bidder previous to bidding and will be received at any time within three days previous to the date of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small the selling officer may fix such other reasonable amount as he may deem fit.

3. The shops will be put up to auction in the order in which they are notified in the schedule, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published, but the rentals and the consumption of the previous three years will be notified for the information of bidders.

4. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

5. No person will be allowed to bid for another unless he holds a Power-of-Attorney from the latter.

6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised Company or firm by means of a Power-of-Attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop.

12. Persons to whom shops have been knocked down and who have made deposits as provided in conditions 2 and 11 shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also *deposit such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the

necessary engagements and take ut licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14 As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure of any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Resales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

18. The deposit referred to in condition 12 or condition 13, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agreed it may be credited towards the last instalment of the khists payable by the latter.

19. The license to be taken out under condition 12 above, shall be subject to the following conditions :—

(1) The amount for which the privilege has been purchased shall be payable into the local Taluk Treasury in equal monthly instalments commencing from July 1908. Each instalment shall be regarded as the rent for the month in respect of which it is payable. The licensee is not required to make any additional payment on account of local cess. Each month's rent shall be payable on or before the 20th of the same month for which the instalment is due. If default is made, the Amildar shall, with the sanction of the Deputy Commissioner, suspend, or declare by record in writing that the license is forfeited, and proceed to re-sell or otherwise dispose of the shop or group of shops on the first day of the month succeeding with effect from the date of issue of license to the new purchaser or from the date of other disposal. The officer who has power to suspend license may, however, at his discretion, allow sales to continue pending re-sale of other disposal of the privilege.

Note.—The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

(2) The deposit made by the licensee shall be taken as security for the due performance of the conditions of the license and if not forfeited, credited or otherwise disposed of, shall be credited in payment of the instalments due in the last two months of the period of the lease Provided, however, that where the shop or group of shops is re sold or otherwise disposed of, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the re-sale or other disposal of the shop or group of shops. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(3) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(4) The privilege conferred by the license extends only to the sale of arrack ordinarily of the strength of 20° under-proof and with the special permission of the Deputy Commissioner or other officer authorized by him to the sale of arrack of 30° U. P. In places where there are no shops for the vend of foreign liquors or where the foreign liquor shop-keepers do not undertake to sell double-distilled or rectified country spirits and special liquors such as Brandy, Whisky, Gin, etc., of such strength as may be fixed by the Excise Commissioner, manufactured at the Government Central Distillery, Bangalore, the holder of arrack shop license of approved character may, with the sanction of the Excise Commissioner, be permitted to sell the same in duly corked sealed bottles not to be drunk on the premises, at such prices as may be fixed by the Excise Commissioner, and subject to conditions otherwise applicable to the sale of arrack.

(5) The lease shall not be transferable by sale, gift or otherwise or be sub-rented, except with the permission of the Excise Commissioner, nor, if the Deputy Commissioner so orders, may any agent be appointed for the management of any privilege without his previous approval. All engagements entered into by the agent shall be deposited with the Deputy Commissioner within one month from the date of execution.

(6) Application for resignation of shop or group of shops will be summarily rejected by the Deputy Commissioner.

(7) The manufacturers of arrack or double-distilled or rectified country spirits or other special liquors as well as the licensees of arrack Bonded Depots are prohibited from holding any interest in the retail vend of the above-mentioned spirits or from employing any person who has such interest.

(8) The sale or transport of arrack by persons suffering from leprosy or any contagious disease and the employment of such persons in the shop are prohibited.

(9) The license-holder shall purchase from the Bonded Depots established palmyra, jaggory and molasses arrack at Re. 0-10-11 per gallon of 20° under-proof, sugar-cane jaggory arrack in duly corked sealed bottles at Rs. 1-6-5 per gallon and also special liquors referred to above, at such prices as may be fixed by the manufacturers.

(10) The licensee shall sell palmyra jaggory and molasses arrack to the public at Rs. 6-6-0 per gallon of 20° under-proof (*i. e.*, at annas two per dram which is equal to 1—51st part of a gallon) and sugar-cane jaggory arrack at Rs. 1-3-10 per reputed quart bottle and at proportionate rates for lower strengths.

(11) The licensee of every shop in the Cities of Bangalore and Mysore shall pay a registration fee under the Municipal Regulations at the rate of rupees (180) one hundred and eighty per annum in advance for the period of the license for his shop and he shall pay a surcharge of (4) four annas per gallon on all arrack sold by him in excess of 55 gallons a month in each such shop.

(12) The above rates to be charged for palmyra jaggory and molasses arrack, sugar-cane jaggory arrack, double distilled or rectified country spirits or other special liquors by the manufacturers and the above fees are in addition to excise duty, which shall be prepaid at the prescribed rate of Rs. 4-12-0 (including local cess) per gallon of 20° U. P. and proportionately for higher or lower strengths, before the removal of the liquor from a Bonded Depot established under the sanction of Government.

(13) The licensee shall pay the above duty and price into a Taluk Treasury or to a special shroff, if any, appointed on this behalf at the cost of Government, and located at the Taluk Cutcherry to receive such duty and price *daily* including Sundays and holidays or to such other officer as may be appointed by the Deputy Commissioner, and shall obtain a receipt in the prescribed printed form. On production of such receipt and an indent for the supply of the liquor covered by the receipt, the Bonded Depot-keeper shall issue the quantity of liquor equal to the amount to duty and price shown in the said receipt which will be forwarded to the Excise Commissioner's office under the endorsement of the Bonded Depot-keeper aforesaid, as to the date and hour when the liquor was issued. The Depot-keeper aforesaid shall issue a pass in the prescribed form for the transport of liquor from the Bonded Depot. He shall also issue sample bottles with the consignments in such manner as may be ordered by the Excise Commissioner.

(14) The licensee shall be bound to take over any liquor which may remain as stock in hand belonging to the out-going licensee on 1st July 1908, in the shop, paying him such compensation for the same as may be fixed by the Excise Commissioner

(15) The licensee shall possess or use on any licensed premises only such standard measure as may, from time to time, be prescribed by the Excise Commissioner. The officers authorized to inspect licensed shops are empowered to enter and examine the premises, to test the measures in use and the liquor under sale and to call for and check the accounts kept in the shops.

(16) The licensee shall be bound by the provisions of the Excise Laws and rules in force and by any additional rules which may, from time to time, be prescribed under the Excise Laws, and if so required, deliver up his license for amendment or issue of a fresh one.

(17) The Deputy Commissioner may, whenever he thinks fit, direct shops to be closed or permit transfer of shops from one place to another, provided the distance is not more than 200 yards, or direct new shops to be opened with the previous sanction of the Excise Commissioner.

(18) Persons who purchase group of shops may, with the special permission of the Excise Commissioner, who is at liberty to refuse it, and under a license by a competent authority, open a depot and remove thereto liquor purchased from the Bonded Depot and issue therefrom the requisite supply to their shops.

(19) The licensee of shop or group of shops shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy or foreign spirits or liquors or both within five miles from it, nor permit any person having interest in the exclusive privilege of vending toddy or foreign spirits or liquor or both within the said area, to hold any share or interest in his exclusive privilege of selling country liquor; nor will he be allowed, without the written permission of the Excise Commissioner, to possess or continue to possess any interest direct or indirect, in any arrack farm in any districts of the Madras or Bombay Presidency under the British Government or any other Foreign State or Territory, or Civil and Military Station, Bangalore.

(20) An Inspection note book with the pages numbered consecutively for inspecting officers to enter their remarks shall be maintained and be handed over to the Excise Inspector in charge of the Range or any officer authorized by him to receive it on a receipt being given therefor.

(21) If the licensee shall be convicted on prosecution before a Magistrate of any offence against the Excise Regulation, or Opium Act or other law for the time being in force, which in the Deputy Commissioner's opinion renders him unfit to hold the license, it shall be lawful for the Deputy Commissioner to declare his license forfeited and sell or otherwise dispose of the privilege at the risk of the licensee.

(22) All sums payable by the licensee may be deducted from the amount of his deposit or recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue.

(23) The license-holder or vendor or vendors shall not sell nor give any arrack exceeding one reputed quart to any individual to convey out of any licensed shop or premises without a valid permit.

(24) The shop-keepers shall not sell or give any arrack to any European non-commissioned officer, private or soldier, or to any European or Eurasian camp follower, or to any member of the families of any of the aforesaid persons, without the permission in writing of the Commanding Officer or of some persons, duly authorized by him in that behalf; nor to any European sailor, nor to any sepoy, member of the Police force or Excise staff or servant of a Railway Company, whilst on duty; nor to any European vagrant under escort of Police; nor to any child under fourteen years of age; nor to any insane person for consumption on the premises; nor shall they sell any arrack on credit.

All officers authorized to inspect shops and depots are empowered to detain any liquor found unfit for consumption or use and the Excise Commissioner, all Deputy Commissioners and Excise Assistant Commissioners are authorized to destroy such liquor.

(29) No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in the shop, and gaming, disorderly conduct, etc., therein shall be prevented, and information of their resort shall be given to the nearest Magistrate or Police Officer. All such amounts of penalities and losses shall be recovered in the same manner as if they were arrears of land revenue.

SALE OF TODDY SHOPS FOR 1908-09.

Notification No. 8301, *dated 4th April* 1908.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose during the twelve months beginning 1st July 1908 and ending 30th June 1909, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the taluk or sub-taluk head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit must be made by each bidder previous to bidding and will be received at any time within three days previous to the date of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small the selling officer may fix such other reasonable amount as he may deem fit.

3. (*a*) The shops will be put up to auction in the order in which they are notified in the schedule, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published, but the rentals and the consumption of the previous three years will be notified for the information of bidders.

(*b*) The privilege in any coffee estate may be sold to the planter for any fixed amount not less than Rs. 12 per shop per annum. The shops in alienated villages shall be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

4. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

5. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by reauction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible, after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop.

12. Persons to whom shops have been knocked down and who have made deposits as provided in conditions 2 and 11 shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also *deposit such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure of any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Resales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

18. The deposit referred to in condition 12 or condition 13, as the case may, be will be taken as security for the due performance on the conditions of the license. If the Deputy Commissioner and the licensee so agree it may be credited towards the last instalment of the khists payable by the latter.

19. The license to be taken out under conditions 12 above shall be subject to the following conditions :—

(1) The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Cocoanut, Bagani and Dadasal toddy. But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date toddy shop shall not tap Bagani trees and the licensee of the Bagani toddy shop shall not tap Date trees; but both licensees can tap any of the other palm trees named above.

(2) The Deputy Commissioner shall be at liberty to issue license for the sale of foreign liquors, for the manufacture and sale of country beer, and for the manufacture and sale of arrack and other country spirits.

(3) The amount of rent shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1908. No amount shall be paid to or received by the Excise officers. In the malnad and semi-malnad taluks, the Deputy Commissioner may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time. Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar shall, with the sanction of the Deputy Commissioner, by record in writing, suspend or cancel the license, order the

forfeiture of all deposits made by the defaulter and proceed to re-sell or otherwise dispose of the shop or group of shops at the defaulter's risk, on the first day of the month succeeding, with effect from date of issue of license to the new purchaser, or from the date of other disposal. Provided, however, that instead of re-selling the same as above, the Deputy Commissioner may, in his discretion direct the Amildar to issue licenses to sub-vendors or vendors under the defaulting licensee for rents, the aggregate of which is not less than the rent the defaulting licensee had agreed to pay. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

SALE OF DRUG SHOPS FOR 1908-09.

Notice No. 8302, *dated 4th April* 1908.

Notice is hereby given that the exclusive privilege of selling intoxicating drugs in the several shops appointed for the purpose during the twelve months beginning 1st July 1908 and ending 30th June 1909, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the taluk or sub taluk head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit must be made by each bidder previous to bidding and will be received at any time within three days previous to the date of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small the selling officer may fix such other reasonable amount as he may deem fit.

3. The shops will be put up to auction in the order in which they are notified in the schedule, unless the selling officer sees reason to change that order. Upset prizes will be fixed at the discretion of the selling officer. The reserve prize placed by Government on the shops will not be published, but the rentals and the consumption of the previous three years will be notified for the information of bidders.

4. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

5. No person will be allowed to bid for another unless he holds a Power-of-Attorney from the latter.

6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised Company or firm by means of a Power-of-Attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion refuse to accept the bid or any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by reauction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop.

12. Persons to whom shops have been knocked down and who have made deposits as provided in conditions 2 and 11 shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also * deposit such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the

* Deposits may be in cash or other approved security.

case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure or any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Re-sales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

18. The deposit referred to in condition 12, or condition 13, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agree, it may be credited towards the last instalment of the khists payable by the latter.

19. The license to be taken out under condit[illegible] 12 above, shall be subject to the following conditions:—

(1) The amount for which the privilege has been purchased shall be payable into the Taluk Treasury on the prescribed challan in equal monthly instalments commencing from July 1908; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month on the challan prescribed for the purpose. Failing payment by the 20th of the same month for which the instalment is due, the Amildar shall, with the sanction of the Deputy Commissioner by record in writing, suspend or cancel the license or order the forfeiture of all deposits made by the defaulter and proceed to re-sell or otherwise dispose of the shop at the defaulter's risk on the first day of the month succeeding with effect from date of issue of license to the new purchaser or from the date of other disposal. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(2) The price of Ganja and Majum shall be Re. 1-0-0 and Re. 0-6-6, respectively, per seer of 80 tolas; and these prices shall be in addition to Excise duty, at the rate of Rs. 5-0-0 per seer of Ganja and Re. 1-1-0 per seer of Majum (including local cess).

(3) The licensee shall pay the above duty and price into a Taluk Treasury, and shall obtain a receipt in the prescribed printed form. On production of such receipt, the Taluk Treasury shall issue the quantity of Ganja or Majum equal to the amount of duty and price shown in the said receipt. The Taluk Treasury aforesaid shall issue a pass in the prescribed form for the transport of Ganja or Majum from the Taluk Treasury.

(4) The Ganja sold by the licensee shall be of good quality and unadulterated, and it shall be sold by him at Rs. 10 for a seer of 80 tolas of Ganja or annas 2 per tola of Ganja and at Rs. 1-10-8 for a seer of Majum; and the whole stock of Ganja and Majum on hand shall be kept in the licensed shop and not elsewhere on any pretext whatever, without special permission.

(5) The licensee shall use such scales and weights as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of drugs, which forms shall be purchased from local Excise officers.

(6) The licensee shall be bound to take over any drugs which may remain as stock in hand belonging to the out-going licensee on the 1st July 1908 in the existing shop, paying to the latter such compensation for the same as may be fixed by the Deputy Commissioner.

(7) The licensee shall be bound by the rules in force, and by such further rules as may be issued from time to time by Government. He will not be allowed to possess or continue to possess without the written permission of the Excise Commissioner, any interest direct or indirect in any intoxicating drug shop outside the Mysore State or in the Civil and Military Station.

(8) No female shall be employed in the sale of intoxicating drugs.

(9) The remaining terms and conditions shall be as set forth in the prescribed license.

7. In the case of any breach of the above conditions either by the licensee or, with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and to re-sell or to otherwise dispose of the privilege at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his shop on 1st July 1908, shall be made good by him. When a license is cancelled, the rent for the whole period of the license shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

8. The penalties laid down in the last preceding clause shall not exempt the licensee or his employees from prosecution for any offence committed against the Excise Laws or rules in force.

EXCISE DEPARTMENT.

Notification No. 8300, *dated 4th April* 1908.

SALE OF SEPARATE ARRACK SHOPS FOR 1908-09.

Notice is hereby given that the exclusive privilege of selling arrack in the several shops appointed for the purpose during the twelve months beginning 1st July 1908 and ending 30th June 1909, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the taluk or sub-taluk head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit must be made by each bidder previous to bidding and will be received at any time within three days previous to the date of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small the selling officer may fix such other reasonable amount as he may deem fit.

3. The shops will be put up to auction in the order in which they are notified in the schedule, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published, but the rentals and the consumption of the previous three years will be notified for the information of bidders.

4. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

5. No person will be allowed to bid for another unless he holds a Power-of-Attorney from the latter.

6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised Company or firm by means of a Power-of-Attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop.

12. Persons to whom shops have been knocked down and who have made deposits as provided in conditions 2 and 11 shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also *deposit such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the

* Deposits may be in cash or other approved security.

necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure of any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Resales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

18. The deposit referred to in condition 12 or condition 13, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agreed it may be credited towards the last instalment of the khists payable by the latter.

19. The license to be taken out under condition 12 above, shall be subject to the following conditions :—

(1) The amount for which the privilege has been purchased shall be payable into the local Taluk Treasury in equal monthly instalments commencing from July 1908. Each instalment shall be regarded as the rent for the month in respect of which it is payable. The licensee is not required to make any additional payment on account of local cess. Each month's rent shall be payable on or before the 20th of the same month for which the instalment is due. If default is made, the Amildar shall, with the sanction of the Deputy Commissioner, suspend, or declare by record in writing that the license is forfeited, and proceed to re-sell or otherwise dispose of the shop or group of shops on the first day of the month succeeding with effect from the date of issue of license to the new purchaser or from the date of other disposal. The officer who has power to suspend license may, however, at his discretion, allow sales to continue pending re-sale of other disposal of the privilege.

Note.—The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

(2) The deposit made by the licensee shall be taken as security for the due performance of the conditions of the license and if not forfeited, credited or otherwise disposed of, shall be credited in payment of the instalments due in the last two months of the period of the lease. Provided, however, that where the shop or group of shops is re-sold or otherwise disposed of, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the re-sale or other disposal of the shop or group of shops. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(3) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(4) The privilege conferred by the license extends only to the sale of arrack ordinarily of the strength of 20° under-proof and with the special permission of the Deputy Commissioner or other officer authorized by him to the sale of arrack of 30° U. P. In places where there are no shops for the vend of foreign liquors or where the foreign liquor shop-keepers do not undertake to sell double-distilled or rectified country spirits and special liquors such as Brandy, Whisky, Gin, etc., of such strength as may be fixed by the Excise Commissioner, manufactured at the Government Central Distillery, Bangalore, the holder of arrack shop license of approved character may, with the sanction of the Excise Commissioner, be permitted to sell the same in duly corked sealed bottles not to be drunk on the premises, at such prices as may be fixed by the Excise Commissioner, and subject to conditions otherwise applicable to the sale of arrack.

(5) The lease shall not be transferable by sale, gift or otherwise or be sub-rented, except with the permission of the Excise Commissioner, nor, if the Deputy Commissioner so orders, may any agent be appointed for the management of any privilege without his previous approval. All engagements entered into by the agent shall be deposited with the Deputy Commissioner within one month from the date of execution.

(6) Application for resignation of shop or group of shops will be summarily rejected by the Deputy Commissioner.

(7) The manufacturers of arrack or double-distilled or rectified country spirits or other special liquors as well as the licensees of arrack Bonded Depots are prohibited from holding any interest in the retail vend of the above-mentioned spirits or from employing any person who has such interest.

(8) The sale or transport of arrack by persons suffering from leprosy or any contagious disease and the employment of such persons in the shop are prohibited.

(9) The license-holder shall purchase from the Bonded Depots established palmyra, jaggory and molasses arrack at Re. 0-10-11 per gallon of 20° under-proof, sugar-cane jaggory arrack in duly corked sealed bottles at Rs. 1-6-5 per gallon and also special liquors referred to above, at such prices as may be fixed by the manufacturers.

(10) The licensee shall sell palmyra jaggory and molasses arrack to the public at Rs. 6-6-0 per gallon of 20° under-proof (*i. e.*, at annas two per dram which is equal to 1—51st part of a gallon) and sugar-cane jaggory arrack at Rs. 1-3-10 per reputed quart bottle and at proportionate rates for lower strengths.

(11) The licensee of every shop in the Cities of Bangalore and Mysore shall pay a registration fee under the Municipal Regulations at the rate of rupees (180) one hundred and eighty per annum in advance for the period of the license for his shop and he shall pay a surcharge of (4) four annas per gallon on all arrack sold by him in excess of 55 gallons a month in each such shop.

(12) The above rates to be charged for palmyra jaggory and molasses arrack, sugar-cane jaggory arrack, double distilled or rectified country spirits or other special liquors by the manufacturers and the above fees are in addition to excise duty, which shall be prepaid at the prescribed rate of Rs. 4-12-0 (including local cess) per gallon of 20° U. P. and proportionately for higher or lower strengths, before the removal of the liquor from a Bonded Depot established under the sanction of Government.

(13) The licensee shall pay the above duty and price into a Taluk Treasury or to a special shroff, if any, appointed on this behalf at the cost of Government, and located at the Taluk Cutcherry to receive such duty and price *daily* including Sundays and holidays or to such other officer as may be appointed by the Deputy Commissioner, and shall obtain a receipt in the prescribed printed form. On production of such receipt and an indent for the supply of the liquor covered by the receipt, the Bonded Depot-keeper shall issue the quantity of liquor equal to the amount to duty and price shown in the said receipt which will be forwarded to the Excise Commissioner's office under the endorsement of the Bonded Depot-keeper aforesaid, as to the date and hour when the liquor was issued. The Depot-keeper aforesaid shall issue a pass in the prescribed form for the transport of liquor from the Bonded Depot. He shall also issue sample bottles with the consignments in such manner as may be ordered by the Excise Commissioner.

(14) The licensee shall be bound to take over any liquor which may remain as stock in hand belonging to the out-going licensee on 1st July 1908, in the shop, paying him such compensation for the same as may be fixed by the Excise Commissioner.

(15) The licensee shall possess or use on any licensed premises only such standard measure as may, from time to time, be prescribed by the Excise Commissioner. The officers authorized to inspect licensed shops are empowered to enter and examine the premises, to test the measures in use and the liquor under sale and to call for and check the accounts kept in the shops.

(16) The licensee shall be bound by the provisions of the Excise Laws and rules in force and by any additional rules which may, from time to time, be prescribed under the Excise Laws, and if so required, deliver up his license for amendment or issue of a fresh one.

(17) The Deputy Commissioner may, whenever he thinks fit, direct shops to be closed or permit transfer of shops from one place to another, provided the distance is not more than 200 yards, or direct new shops to be opened with the previous sanction of the Excise Commissioner.

(18) Persons who purchase group of shops may, with the special permission of the Excise Commissioner, who is at liberty to refuse it, and under a license by a competent authority, open a depot and remove thereto liquor purchased from the Bonded Depot and issue therefrom the requisite supply to their shops.

(19) The licensee of shop or group of shops shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy or foreign spirits or liquors or both within five miles from it, nor permit any person having interest in the exclusive privilege of vending toddy or foreign spirits or liquor or both within the said area, to hold any share or interest in his exclusive privilege of selling country liquor; nor will he be allowed, without the written permission of the Excise Commissioner, to possess or continue to possess any interest direct or indirect, in any arrack farm in any districts of the Madras or Bombay Presidency under the British Government or any other Foreign State or Territory, or Civil and Military Station, Bangalore.

(20) An Inspection note book with the pages numbered consecutively for inspecting officers to enter their remarks shall be maintained and be handed over to the Excise Inspector in charge of the Range or any officer authorized by him to receive it on a receipt being given therefor.

(21) If the licensee shall be convicted on prosecution before a Magistrate of any offence against the Excise Regulation, or Opium Act or other law for the time being in force, which in the Deputy Commissioner's opinion renders him unfit to hold the license, it shall be lawful for the Deputy Commissioner to declare his license forfeited and sell or otherwise dispose of the privilege at the risk of the licensee.

(22) All sums payable by the licensee may be deducted from the amount of his deposit or recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue.

No ingredients noxious to health shall be added to it either to increase its intoxicating power or for any other purpose. All officers authorized to inspect shops and depots are empowered to detain any liquor found unfit for consumption or use and the Excise Commissioner, all Deputy Commissioners and Excise Assistant Commissioners are authorized to destroy such liquor.

(29) No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in the shop, and gaming, disorderly conduct, etc., therein shall be prevented, and information of their resort shall be given to the nearest Magistrate or Police Officer. (32) The amount of fees payable for the shops under Condition (11) above, shall, in the Towns of Bangalore and Mysore, be paid to the officers appointed by the President, Municipal Commission, to receive the same.

When a license is cancelled, the rent for the whole period of the shop shall become due at once. All such amounts of penalities and losses shall be recovered in the same manner as if they were arrears of land revenue.

SALE OF TODDY SHOPS FOR 1908-09.

Notification No. 8301, *dated 4th April* 1908.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose during the twelve months beginning 1st July 1908 and ending 30th June 1909, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the taluk or sub-taluk head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit must be made by each bidder previous to bidding and will be received at any time within three days previous to the date of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small the selling officer may fix such other reasonable amount as he may deem fit.

3. (*a*) The shops will be put up to auction in the order in which they are notified in the schedule, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published, but the rentals and the consumption of the previous three years will be notified for the information of bidders.

(*b*) The privilege in any coffee estate may be sold to the planter for any fixed amount not less than Rs. 12 per shop per annum. The shops in alienated villages shall be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

4. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

5. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by reauction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop.

12. Persons to whom shops have been knocked down and who have made deposits as provided in conditions 2 and 11 shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also *deposit such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure of any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Resales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount, payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

18. The deposit referred to in condition 12 or condition 13, as the case may be, will be taken as security for the due performance on the conditions of the license. If the Deputy Commissioner and the licensee so agree it may be credited towards the last instalment of the khists payable by the latter.

19. The license to be taken out under conditions 12 above shall be subject to the following conditions :—

(1) The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Cocoanut, Bagani and Dadasal toddy. But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date toddy shop shall not tap Bagani trees and the licensee of the Bagani toddy shop shall not tap Date trees; but both licensees can tap any of the other palm trees named above.

(2) The Deputy Commissioner shall be at liberty to issue license for the sale of foreign liquors, for the manufacture and sale of country beer, and for the manufacture and sale of arrack and other country spirits.

(3) The amount of rent shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1908. No amount shall be paid to or received by the Excise officers. In the malnad and semi-malnad taluks, the Deputy Commissioner may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time. Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar shall, with the sanction of the Deputy Commissioner, by record in writing, suspend or cancel the license, order the

forfeiture of all deposits made by the defaulter and proceed to re-sell or otherwise dispose of the shop or group of shops at the defaulter's risk, on the first day of the month succeeding, with effect from date of issue of license to the new purchaser, or from the date of other disposal. Provided, however, that instead of re-selling the same as above, the Deputy Commissioner may, in his discretion direct the Amildar to issue licenses to sub-vendors or vendors under the defaulting licensee for rents, the aggregate of which is not less than the rent the defaulting licensee had agreed to pay. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

NOTE.—The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

(4) For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands. He may purchase toddy from any licensed toddy shopkeeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same. No toddy except the produce of trees marked by a proper officer and tapped under a license shall be kept in the shop or offered for sale or sold.

(5) For all toddy-yielding trees, tree-tapping licenses shall be annual. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. Provided that no toddy shall be removed from the trees except during the currency of such license.

(6) (*a*) Persons applying for the issue of tree-tapping licenses will be responsible to Government for all sums payable as tree-tax on account of the trees licensed therein to be tapped and also for tree-rent in the case of trees on Government unoccupied lands.

(*b*) On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector, and for the timely issue of the license. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax on tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

(7) No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

(8) (1) No tree shall be tapped for toddy without a license therefor to be obtained by payment of tree-tax at the following rates :—

(11) The deposit made by the licensee will be taken as security for the due performance of the conditions of the license, and if not forfeited or credited or otherwise disposed of, shall be taken in payment of the instalment due in the last months or month of the period of the license. All arrears and deficits payable by the licensee shall, with interest at 6 per cent per annum, be recoverable from him or his surety under the rules in force for the recovery of land revenue. Interest shall be calculated on all arrears from the date of default and on deficits from the date of re-sale or disposal otherwise. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee, nor will he be entitled to any compensation for any tree withdrawn or taken for the public purpose.

(12) If the Deputy Commissioner does not confirm the re-sale, he may make such other arrangements as may appear advisable for the remainder of the period of the lease, in which case he shall serve a notice on the defaulting licensee, informing him of the nature of the arrangements made.

(13) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorised in this behalf.

(14) The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. The applicant will then make his application to British authorities in accordance with the Madras Government Tree Tapping Rules, and will obtain a transport permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depot for which it is intended, after having complied with all requirements of the Madras Government Rules.

SALE OF DRUG SHOPS FOR 1908-09.

Notice No. 8302, *dated 4th April* 1908.

Notice is hereby given that the exclusive privilege of selling intoxicating drugs in the several shops appointed for the purpose during the twelve months beginning 1st July 1908 and ending 30th June 1909, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the taluk or sub taluk head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit must be made by each bidder previous to bidding and will be received at any time within three days previous to the date of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small the selling officer may fix such other reasonable amount as he may deem fit.

3. The shops will be put up to auction in the order in which they are notified in the schedule, unless the selling officer sees reason to change that order. Upset prizes will be fixed at the discretion of the selling officer. The reserve prize placed by Government on the shops will not be published, but the rentals and the consumption of the previous three years will be notified for the information of bidders.

4. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

5. No person will be allowed to bid for another unless he holds a Power-of-Attorney from the latter.

6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised Company or firm by means of a Power-of-Attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion refuse to accept the bid or any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by reauction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop.

Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure or any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Re-sales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

18. The deposit referred to in condition 12, or condition 13, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agree, it may be credited towards the last instalment of the khists payable by the latter.

19. The license to be taken out under condition 12 above, shall be subject to the following conditions:—

(1) The amount for which the privilege has been purchased shall be payable into the Taluk Treasury on the prescribed challan in equal monthly instalments commencing from July 1908; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month on the challan prescribed for the purpose. Failing payment by the 20th of the same month for which the instalment is due, the Amildar shall, with the sanction of the Deputy Commissioner by record in writing, suspend or cancel the license or order the forfeiture of all deposits made by the defaulter and proceed to re-sell or otherwise dispose of the shop at the defaulter's risk on the first day of the month succeeding with effect from date of issue of license to the new purchaser or from the date of other disposal. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(2) The price of Ganja and Majum shall be Re. 1-0-0 and Re. 0-6-6, respectively, per seer of 80 tolas; and these prices shall be in addition to Excise duty, at the rate of Rs. 5-0-0 per seer of Ganja and Re. 1-1-0 per seer of Majum (including local cess).

(3) The licensee shall pay the above duty and price into a Taluk Treasury, and shall obtain a receipt in the prescribed printed form. On production of such receipt, the Taluk Treasury shall issue the quantity of Ganja or Majum equal to the amount of duty and price shown in the said receipt. The Taluk Treasury aforesaid shall issue a pass in the prescribed form for the transport of Ganja or Majum from the Taluk Treasury.

(4) The Ganja sold by the licensee shall be of good quality and unadulterated, and it shall be sold by him at Rs. 10 for a seer of 80 tolas of Ganja or annas 2 per tola of Ganja and at Rs. 1-10-8 for a seer of Majum; and the whole stock of Ganja and Majum on hand shall be kept in the licensed shop and not elsewhere on any pretext whatever, without special permission.

(5) The licensee shall use such scales and weights as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of drugs, which forms shall be purchased from local Excise officers.

(6) The licensee shall be bound to take over any drugs which may remain as stock in hand belonging to the out-going licensee on the 1st July 1908 in the existing shop, paying to the latter such compensation for the same as may be fixed by the Deputy Commissioner.

(7) The licensee shall be bound by the rules in force, and by such further rules as may be issued from time to time by Government. He will not be allowed to possess or continue to possess without the written permission of the Excise Commissioner, any interest direct or indirect in any intoxicating drug shop outside the Mysore State or in the Civil and Military Station.

(8) No female shall be employed in the sale of intoxicating drugs.

(9) The remaining terms and conditions shall be as set forth in the prescribed license.

7. In the case of any breach of the above conditions either by the licensee or, with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and to re-sell or to otherwise dispose of the privilege at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his shop on 1st July 1908, shall be made good by him. When a license is cancelled, the rent for the whole period of the license shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

8. The penalties laid down in the last preceding clause shall not exempt the licensee or his employees from prosecution for any offence committed against the Excise Laws or rules in force.

7. Read Government Proceedings No. 8075-8—L. B. 170-07, dated the 15th February 1908, calling for the opinions of the District Boards as to whether a fee of one rupee may not be levied on each occasion an Amrut Mahal bull is allowed to cover.

Resolution.—The Board are unanimously of opinion that *eight* annas be levied from the owners of the cows for each covering.

8. (*a*) Read Government Proceedings No. 6256-8—L. B. 431-06, dated 31st December 1907, requesting that the present mileage allotments of (1) Hosdurga-Bidarkere Railway feeder road and (2) Bharmagiri road may be raised from Rs. 100 to Rs. 130 a mile, in order to put the few bad furlongs of the roads into good order.

(*b*) Also Chitaldrug Division Executive Engineer's No. 82, dated 23rd January 1908, on the same subject.

Resolution.—Excepting the Chitaldrug-Challakere road which has exceptionally a high mileage allotment of Rs. 150 on account of the heavy traffic, the rate allowed to all other District Fund roads in the district ranges from Rs. 40 to Rs. 70 per mile. The rates originally sanctioned for the roads in question were Rs. 40 and Rs. 50 per mile, respectively, till 1904, when they were raised to Rs. 100 per mile on the representation made by the Board, the extra amount being ordered to be met from Local Fund General (*vide* Government Proceedings No. 3301-4—L. B. 7-98, dated 2nd March 1904). As the Marikanave Works have since been completed, the decrease in the traffic is perceptible and the necessity for increasing the mileage allotment of these two roads is not apparent.

9. (*a*) Read Government Proceedings No. 7845-7—L. B. 250-07, dated the 7th February 1908, directing the postponement of the construction of the following two roads for paucity of funds:—

SALE OF SEPARATE ARRACK SHOPS FOR 1908-09.

Notice is hereby given that the exclusive privilege of selling arrack in the several shops appointed for the purpose during the twelve months beginning 1st July 1908 and ending 30th June 1909, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the taluk or sub-taluk head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit must be made by each bidder previous to bidding and will be received at any time within three days previous to the date of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. 6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised Company or firm by means of a Power-of-Attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by re-auction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop.

12. Persons to whom shops have been knocked down and who have made deposits as provided in conditions 2 and 11 shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also *deposit such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then, *without unnecessary delay* execute the

* Deposits may be in cash or other approved security.

necessary engagements and take out licenses on the conditions hereinafter set forth In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State, he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure of any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Resales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

18. The deposit referred to in condition 12 or condition 13, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agreed it may be credited towards the last instalment of the khists payable by the latter.

19. The license to be taken out under condition 12 above, shall be subject to the following conditions :—

(1) The amount for which the privilege has been purchased shall be payable into the local Taluk Treasury in equal monthly instalments commencing from July 1908. Each instalment shall be regarded as the rent for the month in respect of which it is payable. The licensee is not required to make any additional payment on account of local cess. Each month's rent shall be payable on or before the 20th of the same month for which the instalment is due. If default is made, the Amildar shall, with the sanction of the Deputy Commissioner, suspend, or declare by record in writing that the license is forfeited, and proceed to re-sell or otherwise dispose of the shop or group of shops on the first day of the month succeeding with effect from the date of issue of license to the new purchaser or from the date of other disposal. The officer who has power to suspend license may, however, at his discretion, allow sales to continue pending re-sale of other disposal of the privilege.

Note.—The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

(2) The deposit made by the licensee shall be taken as security for the due performance of the conditions of the license and if not forfeited, credited or otherwise disposed of, shall be credited in payment of the instalments due in the last two months of the period of the lease Provided, however, that where the shop or group of shops is re sold or otherwise disposed of, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter as well as towards the deficits, if any, arising from the re-sale or other disposal of the shop or group of shops. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

215

(3) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(4) The privilege conferred by the license extends only to the sale of arrack ordinarily of the strength of 20° under-proof and with the special permission of the Deputy Commissioner or other officer authorized by him to the sale of arrack of 30° U. P. In places where there are no shops for the vend of foreign liquors or where the foreign liquor shop-keepers do not undertake to sell double-distilled or rectified country spirits and special liquors such as Brandy, Whisky, Gin, etc., of such strength as may be fixed by the Excise Commissioner, manufactured at the Government Central Distillery, Bangalore, the holder of arrack shop license of approved character may, with the sanction of the Excise Commissioner, be permitted to sell the same in duly corked sealed bottles not to be drunk on the premises, at such prices as may be fixed by the Excise Commissioner, and subject to conditions otherwise applicable to the sale of arrack.

(5) The lease shall not be transferable by sale, gift or otherwise or be sub-rented, except with the permission of the Excise Commissioner, nor, if the Deputy Commissioner so orders, may any agent be appointed for the management of any privilege without his previous approval. All engagements entered into by the agent shall be deposited with the Deputy Commissioner within one month from the date of execution.

(6) Application for resignation of shop or group of shops will be summarily rejected by the Deputy Commissioner.

(7) The manufacturers of arrack or double-distilled or rectified country spirits or other special liquors as well as the licensees of arrack Bonded Depots are prohibited from holding any interest in the retail vend of the above-mentioned spirits or from employing any person who has such interest.

(8) The sale or transport of arrack by persons suffering from leprosy or any contagious disease and the employment of such persons in the shop are prohibited.

(9) The license-holder shall purchase from the Bonded Depots established palmyra, jaggory and molasses arrack at Re. 0-10-11 per gallon of 20° under-proof, sugar-cane jaggory arrack in duly corked sealed bottles at Rs. 1-6-5 per gallon and also special liquors referred to above, at such prices as may be fixed by the manufacturers.

(10) The licensee shall sell palmyra jaggory and molasses arrack to the public at Rs. 6-6-0 per gallon of 20° under-proof (*i. e.*, at annas two per dram which is equal to 1—51st part of a gallon) and sugar-cane jaggory arrack at Rs. 1-3-10 per reputed quart bottle and at proportionate rates for lower strengths.

(11) The licensee of every shop in the Cities of Bangalore and Mysore shall pay a registration fee under the Municipal Regulations at the rate of rupees (180) one hundred and eighty per annum in advance for the period of the license for his shop and he shall pay a surcharge of (4) four annas per gallon on all arrack sold by him in excess of 55 gallons a month in each such shop.

(12) The above rates to be charged for palmyra jaggory and molasses arrack, sugar-cane jaggory arrack, double distilled or rectified country spirits or other special liquors by the manufacturers and the above fees are in addition to excise duty, which shall be prepaid at the prescribed rate of Rs. 4-12-0 (including local cess) per gallon of 20° U. P. and proportionately for higher or lower strengths, before the removal of the liquor from a Bonded Depot established under the sanction of Government.

(13) The licensee shall pay the above duty and price into a Taluk Treasury or to a special shroff, if any, appointed on this behalf at the cost of Government, and located at the Taluk Cutcherry to receive such duty and price *daily* including Sundays and holidays or to such other officer as may be appointed by the Deputy Commissioner, and shall obtain a receipt in the prescribed printed form. On production of such receipt and an indent for the supply of the liquor covered by the receipt, the Bonded Depot-keeper shall issue the quantity of liquor equal to the amount to duty and price shown in the said receipt which will be forwarded to the Excise Commissioner's office under the endorsement of the Bonded Depot-keeper aforesaid, as to the date and hour when the liquor was issued. The Depot-keeper aforesaid shall issue a pass in the prescribed form for the transport of liquor from the Bonded Depot. He shall also issue sample bottles with the consignments in such manner as may be ordered by the Excise Commissioner.

(14) The licensee shall be bound to take over any liquor which may remain as stock in hand belonging to the out-going licensee on 1st July 1908, in the shop, paying him such compensation for the same as may be fixed by the Excise Commissioner.

(15) The licensee shall possess or use on any licensed premises only such standard measure as may, from time to time, be prescribed by the Excise Commissioner. The officers authorized to inspect licensed shops are empowered to enter and examine the premises, to test the measures in use and the liquor under sale and to call for and check the accounts kept in the shops.

(16) The licensee shall be bound by the provisions of the Excise Laws and rules in force and by any additional rules which may, from time to time, be prescribed under the Excise Laws, and if so required, deliver up his license for amendment or issue of a fresh one.

(17) The Deputy Commissioner may, whenever he thinks fit, direct shops to be closed or permit transfer of shops from one place to another, provided the distance is not more than 200 yards, or direct new shops to be opened with the previous sanction of the Excise Commissioner.

(18) Persons who purchase group of shops may, with the special permission of the Excise Commissioner, who is at liberty to refuse it, and under a license by a competent authority, open a depot and remove thereto liquor purchased from the Bonded Depot and issue therefrom the requisite supply to their shops.

(19) The licensee of shop or group of shops shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy or foreign spirits or liquors or both within five miles from it, nor permit any person having interest in the exclusive privilege of vending toddy or foreign spirits or liquor or both within the said area, to hold any share or interest in his exclusive privilege of selling country liquor; nor will he be allowed, without the written permission of the Excise Commissioner, to possess or continue to possess any interest direct or indirect, in any arrack farm in any districts of the Madras or Bombay Presidency under the British Government or any other Foreign State or Territory, or Civil and Military Station, Bangalore.

(20) An Inspection note book with the pages numbered consecutively for inspecting officers to enter their remarks shall be maintained and be handed over to the Excise Inspector in charge of the Range or any officer authorized by him to receive it on a receipt being given therefor.

(21) If the licensee shall be convicted on prosecution before a Magistrate of any offence against the Excise Regulation, or Opium Act or other law for the time being in force, which in the Deputy Commissioner's opinion renders him unfit to hold the license, it shall be lawful for the Deputy Commissioner to declare his license forfeited and sell or otherwise dispose of the privilege at the risk of the licensee.

(22) All sums payable by the licensee may be deducted from the amount of his deposit or recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of land revenue.

(23) The license-holder or vendor or vendors shall not sell nor give any arrack exceeding one reputed quart to any individual to convey out of any licensed shop or premises without a valid permit.

(24) The shop-keepers shall not sell or give any arrack to any European non-commissioned officer, private or soldier, or to any European or Eurasian camp follower, or to any member of the families of any of the aforesaid persons, without the permission in writing of the Commanding Officer or of some persons, duly authorized by him in that behalf; nor to any European sailor, nor to any sepoy, member of the Police force or Excise staff or servant of a Railway Company, whilst on duty nor to any European vagrant under escort of Police; nor to any child under fourteen years of age; nor to any insane person for consumption on the premises; nor shall they sell any arrack on credit.

(25) They (license-holder or vendor or vendors) shall not receive any articles whatsoever in barter or pledge. Payment for arrack shall be received by them in ready money only, and they shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. They shall have no pecuniary dealings with any Excise Officer.

(26) The arrack kept in his shop, offered for sale and sold, shall be unadulterated and undiluted; and it shall be of the same quality and strength as issued from the Bonded Depot. With all consignments from the Depot to the shop, sample bottles shall be taken in such manner as may be ordered by the Excise Commissioner.

(27) No consignments of arrack received at the shop, and which have been transported through British Territory, shall be opened before they have been verified by the officers authorized to do so.

(28) No water or other beverage, or liquor other than arrack of any quantity whatever shall be kept or sold in the shop in which arrack is sold, or on the person or

in possession of the license-holder or vendor or any of his employees in the shop. No ingredients noxious to health shall be added to it either to increase its intoxicating power or for any other purpose. All officers authorized to inspect shops and depots are empowered to detain any liquor found unfit for consumption or use and the Excise Commissioner, all Deputy Commissioners and Excise Assistant Commissioners are authorized to destroy such liquor.

(29) No robbers or thieves or disorderly or riotous persons or prostitutes or soldiers or others known or believed to be deserters shall be harboured in the shop, and gaming, disorderly conduct, etc., therein shall be prevented, and information of their resort shall be given to the nearest Magistrate or Police Officer. No person shall be harboured during night in any shop.

The accounts and counterfoils of permits shall be preserved and delivered to the local Excise Officer immediately after the close of the lease. They shall be produced when asked for by the Deputy Commissioner or any officer appointed by him or by an Excise Officer not below the rank of Excise Assistant Inspector. The licensee shall be bound to furnish such returns and information as may, from time to time, be required by the Deputy Commissioner or Excise Officer not below the rank of Excise Assistant Inspector.

(32) The amount of fees payable for the shops under Condition (11) above, shall, in the Towns of Bangalore and Mysore, be paid to the officers appointed by the President, Municipal Commission, to receive the same.

The Government reserves the power to terminate the lease on public grounds on giving the licensee fifteen days' notice and awarding a reasonable compensation to the licensee. The licensee will have no claim to compensation or remission on account of any arrangements which may be made by Government in regard to Country Beer or other description of liquor than arrack.

(35) The sales should be conducted in a suitable building which shall have only one door, and no windows shall be allowed to the rear or ends of the building. Such licenses shall ordinarily be granted to the shop-keepers who usually supply the locality. Their period shall not exceed fifteen days and the fee to be paid therefor shall be fixed at the Deputy Commissioner's discretion unless he decides to sell the same by public auction.

(37) If it comes to the licensee's knowledge that any person employed by him in the carriage or sale of arrack, commits any breach of the Excise Laws or of the engagements entered into by him, it shall be his duty to report the matter to the Deputy Commissioner, and comply with the directions of the Deputy Commissioner respecting the continued employment of such person.

When a license is cancelled, the rent for the whole period of the shop shall become due at once. All such amounts of penalities and losses shall be recovered in the same manner as if they were arrears of land revenue.

(40) The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding para, shall not be held to prevent the prosecution of the licensee or his agents or employees for any offence punishable under the Excise Laws or other law for the time being in force.

SALE OF TODDY SHOPS FOR 1908-09.

Notification No. 8301, *dated 4th April* 1908.

Notice is hereby given that the exclusive privilege of selling toddy in the several shops appointed for the purpose during the twelve months beginning 1st July 1908 and ending 30th June 1909, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorized by the Deputy Commissioners for the purpose, on the dates and at the taluk or sub-taluk head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit must be made by each bidder previous to bidding and will be received at any time within three days previous to the date of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small the selling officer may fix such other reasonable amount as he may deem fit.

3. (*a*) The shops will be put up to auction in the order in which they are notified in the schedule, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the selling officer. The reserve price placed by Government on the shops will not be published, but the rentals and the consumption of the previous three years will be notified for the information of bidders.

(*b*) The privilege in any coffee estate may be sold to the planter for any fixed amount not less than Rs. 12 per shop per annum. The shops in alienated villages shall be sold separately, and the amounts connected therewith shall be shown in the accounts under a distinct head.

4. Every shop should as a rule be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

5. No person will be allowed to bid for another unless he holds a power-of-attorney from the latter.

6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognized company or firm by means of a power-of-attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by reauction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible, after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop.

12. Persons to whom shops have been knocked down and who have made deposits as provided in conditions 2 and 11 shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also *deposit such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay*, execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure of any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be resold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Resales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

18. The deposit referred to in condition 12 or condition 13, as the case may be, will be taken as security for the due performance on the conditions of the license. If the Deputy Commissioner and the licensee so agree it may be credited towards the last instalment of the khists payable by the latter.

19. The license to be taken out under conditions 12 above shall be subject to the following conditions :—

(1) The exclusive privilege conferred by the license extends to the sale of Date, Palmyra, Cocoanut, Bagani and Dadasal toddy. But in tracts where both Date and Bagani toddy shops exist, the licensee of the Date toddy shop shall not tap Bagani trees and the licensee of the Bagani toddy shop shall not tap Date trees; but both licensees can tap any of the other palm trees named above.

(2) The Deputy Commissioner shall be at liberty to issue license for the sale of foreign liquors, for the manufacture and sale of country beer, and for the manufacture and sale of arrack and other country spirits.

(3) The amount of rent shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1908. No amount shall be paid to or received by the Excise officers. In the malnad and semi-malnad taluks, the Deputy Commissioner may permit patels of villages who are not themselves licensees to receive payments not exceeding Rs. 50 from any individual at a time. Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar shall, with the sanction of the Deputy Commissioner, by record in writing, suspend or cancel the license, order the

forfeiture of all deposits made by the defaulter and proceed to re-sell or otherwise dispose of the shop or group of shops at the defaulter's risk, on the first day of the month succeeding, with effect from date of issue of license to the new purchaser, or from the date of other disposal. Provided, however, that instead of re-selling the same as above, the Deputy Commissioner may, in his discretion direct the Amildar to issue licenses to sub-vendors or vendors under the defaulting licensee for rents, the aggregate of which is not less than the rent the defaulting licensee had agreed to pay. The officer who has power to suspend the license may, however, at his discretion, allow sales to continue pending re-sale or other disposal of the privilege.

NOTE.—The licensee of a jatra shop shall pay the rent thereof in full before the jatra begins.

(4) For the supply of toddy to his shops the licensee shall have the privilege of obtaining, subject to tree-tax rules, toddy-yielding trees in the groves assigned to his shops or groups of shops, and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands. He may purchase toddy from any licensed toddy shopkeeper on application to the Inspector, who will grant the required permits on proof of the necessity for the same. No toddy except the produce of trees marked by a proper officer and tapped under a license shall be kept in the shop or offered for sale or sold.

(5) For all toddy-yielding trees, tree-tapping licenses shall be annual. For the convenience of the licensee, the applications for tree-tapping licenses will be received, trees will be marked, and licenses will be issued during the fifteen days and pots may be attached to such marked trees during the eight days, immediately preceding the period to which they relate to take effect from the commencement of such period. Provided that no toddy shall be removed from the trees except during the currency of such license.

(6) (*a*) Persons applying for the issue of tree-tapping licenses will be responsible to Government for all sums payable as tree-tax on account of the trees licensed therein to be tapped and also for tree-rent in the case of trees on Government unoccupied lands.

(*b*) On receipt of an application, the Inspector will at once take steps for the marking of the tree by an officer superior in rank to a Sub-Inspector, and for the timely issue of the license. Applicants for date trees shall get the requisite spaces on their stems prepared and point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax on tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

(7) No tree shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury concerned.

(8) (1) No tree shall be tapped for toddy without a license therefor to be obtained by payment of tree-tax at the following rates :—

No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee, nor will he be entitled to any compensation for any tree withdrawn or taken for the public purpose.

(12) If the Deputy Commissioner does not confirm the re-sale, he may make such other arrangements as may appear advisable for the remainder of the period of the lease, in which case he shall serve a notice on the defaulting licensee, informing him of the nature of the arrangements made.

(13) If the licensee of a group of shops wishes to establish a depot for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorised in this behalf.

(14) The tree-tax on toddy produced by trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government. SALE OF DRUG SHOPS FOR 1908-09.

Notice No. 8302, dated 4th April 1908.

Notice is hereby given that the exclusive privilege of selling intoxicating drugs in the several shops appointed for the purpose during the twelve months beginning 1st July 1908 and ending 30th June 1909, will be put up to public auction by Deputy Commissioners or Revenue Assistant Commissioners or District Officers of the Excise Department or other officers specially authorised by the Deputy Commissioners for the purpose, on the dates and at the taluk or sub-taluk head-quarters mentioned in the statement annexed, subject to the conditions hereinafter set forth. If the sales are not completed on the dates fixed, they will be continued on the next following days, close holidays excepted.

2. A deposit must be made by each bidder previous to bidding and will be received at any time within three days previous to the date of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the case of shops whose average monthly rental is very small the selling officer may fix such other reasonable amount as he may deem fit.

3. The shops will be put up to auction in the order in which they are notified in the schedule, unless the selling officer sees reason to change that order. Upset prizes will be fixed at the discretion of the selling officer. The reserve prize placed by Government on the shops will not be published, but the rentals and the consumption of the previous three years will be notified for the information of bidders.

4. Every shop should, as a rule, be sold independently. Grouping should be resorted to only under very exceptional circumstances limiting the number of shops so grouped strictly to the necessity of the occasion.

5. No person will be allowed to bid for another unless he holds a Power-of-Attorney from the latter.

6. No shops will be knocked down in the name of two or more persons unless they represent a duly recognised Company or firm by means of a Power-of-Attorney. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

7. The officer conducting the sale may, at his discretion refuse to accept the bid or any person on the ground that it is too low or that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Excise Regulation or Opium Act, as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason.

8. The shops will be knocked down to the highest bidder, but the sale will be subject to formal confirmation by the Deputy Commissioner, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid unless revised by the Government for special reasons and will be necessary whether the sale be held by the Deputy Commissioner himself or by any officer appointed by him.

9. In cases of dispute at the time of auction the selling officer's decision shall be final; and if for any reason the highest bid is rejected the next highest shall be taken or the shop re-sold at his discretion.

10. Tenders after auction shall not generally be accepted. Shops remaining unsold at the first auction shall ordinarily be disposed of by reauction later on. But the Deputy Commissioner has full discretion on this point.

11. As soon as possible after the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under condition 2) for each shop unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under condition 2 will be forfeited and the shops will be put up again to auction on the above conditions or otherwise disposed of as the selling officer may determine and the defaulter will be debarred from bidding again for the same or for any other shop.

12. Persons to whom shops have been knocked down and who have made deposits as provided in conditions 2 and 11 shall leave their address with the selling officer, in order that the confirmation of the sale may be communicated to that address by a notice and they shall also * deposit such further sum as with the former deposits will make up two months' rent. Such deposit should be paid into the Taluk Treasury within seven days from the date of communication of the notice of the Deputy Commissioner's acceptance of the bid by its presentation to themselves or to any adult male member of their family at the place of the said address, or by its despatch duly registered by post. They shall then *without unnecessary delay* execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the

* Deposits may be in cash or other approved security.

case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this condition, the excess will be refunded unless the purchaser is required to make a deposit (twice that sum) under condition 13 *infra*.

13. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency or a foreigner having no sufficient property in the Mysore State he may be required either to deposit twice the sum prescribed in condition 12 *supra* or to get a surety or sureties, residents of and possessing sufficient property in the Mysore State to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (Article 32 of Schedule I of the Mysore Stamp Regulation, II of 1900) and also registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

14. As soon as the sales are over, the sale conducting officer shall forward a list of the successful bidders to the Amildar of the taluk concerned who shall enquire into the solvency of and record the amount of deposit or surety required from each purchaser. He should submit the list so prepared to the selling officer within five days of its receipt and the latter should submit the same with his remarks to the Deputy Commissioner for confirmation without delay.

15. On the failure or any person to make deposit under condition 12 or to comply with the requisition under condition 13 *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made shall be forfeited and the shop be re-sold or otherwise disposed of at the discretion of the Deputy Commissioner.

16. Re-sales effected under condition 15 will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

17. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below though a formal license may not have been issued to him.

18. The deposit referred to in condition 12, or condition 13, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Deputy Commissioner and the licensee so agree, it may be credited towards the last instalment of the khists payable by the latter.

19. The license to be taken out under condition 12 above, shall be subject to the following conditions :—

(1) The amount for which the privilege has been purchased shall be payable into the Taluk Treasury on the prescribed challan in equal monthly instalments commencing from July 1908; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month on the challan prescribed for the purpose. Failing payment by the 20th of the same month for which the instalment is due, the Amildar shall, with the sanction of the Deputy Commissioner by record in writing, suspend or cancel the license or order the forfeiture of all deposits made by the defaulter and proceed to re-sell or otherwise dispose of the shop at the defaulter's risk on the first day of the month succeeding with effect from date of issue of license to the new purchaser or from the date of other disposal. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(2) The price of Ganja and Majum shall be Re. 1-0-0 and Re. 0-6-6, respectively, per seer of 80 tolas; and these prices shall be in addition to Excise duty, at the rate of Rs. 5-0-0 per seer of Ganja and Re. 1-1-0 per seer of Majum (including local cess).

(3) The licensee shall pay the above duty and price into a Taluk Treasury, and shall obtain a receipt in the prescribed printed form. On production of such receipt, the Taluk Treasury shall issue the quantity of Ganja or Majum equal to the amount of duty and price shown in the said receipt. The Taluk Treasury aforesaid shall issue a pass in the prescribed form for the transport of Ganja or Majum from the Taluk Treasury.

(4) The Ganja sold by the licensee shall be of good quality and unadulterated, and it shall be sold by him at Rs. 10 for a seer of 80 tolas of Ganja or annas 2 per tola of Ganja and at Rs. 1-10-8 for a seer of Majum; and the whole stock of Ganja and Majum on hand shall be kept in the licensed shop and not elsewhere on any pretext whatever, without special permission.

(5) The licensee shall use such scales and weights as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of drugs, which forms shall be purchased from local Excise officers.

(6) The licensee shall be bound to take over any drugs which may remain as stock in hand belonging to the out-going licensee on the 1st July 1908 in the existing shop, paying to the latter such compensation for the same as may be fixed by the Deputy Commissioner.

(7) The licensee shall be bound by the rules in force, and by such further rules as may be issued from time to time by Government. He will not be allowed to possess or continue to possess without the written permission of the Excise Commissioner, any interest direct or indirect in any intoxicating drug shop outside the Mysore State or in the Civil and Military Station.

(8) No female shall be employed in the sale of intoxicating drugs.

(9) The remaining terms and conditions shall be as set forth in the prescribed license.

7. In the case of any breach of the above conditions either by the licensee or, with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and to re-sell or to otherwise dispose of the privilege at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his shop on 1st July 1908, shall be made good by him. When a license is cancelled, the rent for the whole period of the license shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

8. The penalties laid down in the last preceding clause shall not exempt the licensee or his employees from prosecution for any offence committed against the Excise Laws or rules in force.

TUMKUR TOWN MUNICIPALITY.

Dated 2nd March 1908.

1. A person who buys a building site from the Municipality takes it in order to erect thereon a dwelling for himself. He will not be competent to sell or otherwise dispose of it without the express permission of the President in writing.

2. The main building should be constructed with a basement not less than two feet high with floor of concrete or cement or Kadapa stone or flooring tiles, with roof of Mangalore tiles, or terraced and with doors and windows in sufficient number and of sufficient dimensions to allow free light and air.

3. The main building should be put in hand within two months from this date and the foundation should be brought up to the agreed height of plinth in another two months and the house itself completed within another eight months from then.

4. A ground plan of the proposed house will be forwarded to the President within 15 days from the date of the sale of the site.

5. Sufficient open space will be left all round the main building as may be required by the President and the necessary outhouses and latrines will be constructed on such portions of the site as may be pointed out by the President or by some officer of the Municipality as may be deputed by him.

6. The overcrowding of sites will not be permitted. The house and out-houses and latrines should not be extended nor can additional buildings be put up.

7. Seeing that the object of acquiring lands and alienating them to towns for extensions is often frustrated by overcrowding in allotted sites and by the construction of ill-lighted and ill-ventilated houses, of houses not sufficiently raised from the ground and of houses ill provided against rats in roof and floor, the purchaser shall scrupulously adhere to all the conditions herein.

8. Upon breach of any of the above conditions it shall be open to the President to resume the site upon a week's notice with all constructions thereon and to sell the site and constructions in a public sale or to anybody he likes. The purchaser will be entitled to receive the realizations by sale minus the costs incident to the sale. He will not be entitled to complain that the realizations are disproportionate to the expenses incurred by him. He will not be entitled to receive back the value of the site paid to the Municipality.

9. The President will be at liberty, for reasons to be explained by him in writing, to relax any of the above conditions provided that such relaxation does not interfere with the spirit of the condition.

10. Whether any case calls for the operation of the preceding clause would be solely for the President to judge.

11. In the case of those whose means would not allow of houses as described in para 2 *supra* other suitable specification will be imposed. As it is undesirable that houses affording little protection against the plague or other epidemic should stand near houses built at some cost in order to secure the needed protection the President will, in each case, select the locality and site. Sites for houses to be built according to para 2 *supra* will be indicated by the letter A and the other sites by the letter B.

The Amildars of all Taluks and the Deputy Amildar of Kumsi *except the Amildars of Sorab and Nagar* were present.

1. Read budget estimates of receipts and expenditure for the year 1908-09.

Resolution.—Approved. It may be submitted to Government for sanction with a request that 76 per cent of the newly imposed supari cess amounting to Rs. 8,539 may be allotted to the District Funds in place of the 76 per cent of the cess, amounting to Rs. 9,300, on supari halat which has been abolished, to enable the Board to meet the expenditure on several District Fund Works of importance which have been held in abeyance for want of funds as well as Sanitary and Water-supply Works which have to be started under the orders of Government.

2. Read entire correspondence ending with Railway Secretary's No. 400, dated the 10th February 1908, on the subject of Mr. Whittle's application to run Steam Motor Wagons on Channagiri-Benkipur road.

Resolution.—The members are of opinion that if permission is granted to run the Steam Motor Wagons over the present road which is only 15 feet broad, it is not possible to avoid accidents especially over the Danavadi tank. They are therefore afraid to permit the Wagon to run under the conditions now imposed by Government. But as Government has already granted the necessary permission, the Board feel constrained to ratify it only upon the following conditions *viz* :—

(1) That sufficient space should be left on the road to allow carts to pass when the Motor Wagon is running, and that if this is not feasible the road may be widened by another four feet at the cost of the company.

(2) That as there is much danger on the Danavadi tank bund which is steep on both sides, the same should be widened at the cost of the company to allow a siding to be formed so as to allow the Motor to go into it when carts have to pass over the bund.

(3) That the speed of the engine should be limited to four miles an hour as a man has to go in advance to warn vehicles of its approach.

(4) That as the road will get into disrepair very soon by the running of the wagons in question and as the amount of Rs. 100 per annum agreed to be paid by the Company as rent for the rise of the road is not adequate to meet the charges of repair which would be Rs. 200 per mile, the extra mileage allotment of Rs. 80 per mile for the road between Joladhal and Benkipur should be borne by the Company.

(5) That the wagons should not be run between sunset and sunrise.

(6) That a man should run in front of the wagon to warn vehicles of its approach.

(7) That the wagon should be stopped and steam shut off when carts pass by.

3. Read Secretary's letter No. 7346-55—Med. 67-07-5, dated the 27th January 1908, calling for the opinion of the Board regarding compulsory vaccination.

Resolution.—Resolved that compulsory vaccination may be introduced into the whole district as the introduction of the rules into any particular area will not have the desired effect. The rules enjoining that the parents and guardians should get the children vaccinated within one month from the date of service of notice as provided under Sections 5 and 19 should be altered so as to extend that period to three months. The regulations and the rules framed thereunder may be brought into force three months after its due publication in the towns and villages of the district.

Resolution.—Resolved that Rs. 1,500 be allotted in the budget for 1908-09, as under the existing circumstances more funds cannot be spared for the work. The building for the dispensary at Siralkoppa being urgently needed, the Senior Surgeon may be requested to move the Government to order the work being put on hand at once. The further sum required to be paid out of the District Funds will be allotted annually in the subsequent budgets.

7. Read Sagar Sub-Division Assistant Commissioner's yadi No. 640, dated the 22nd November 1907, proposing the establishment of a Native Vaidyasala at Karur, Sagar Taluk.

8. Read Sagar Sub-Division Assistant Commissioner's yadi No. 634, stating that the pay of ferrymen at Jog Falls may be raised to Rs. 7 and 5 respectively.

Resolution.—Resolved that as the District Funds derive no revenue from the ferry in question nor from the travellers' bungalow at the Falls, the Board are unanimously of opinion that the maintenance of the ferry establishment as also the annual repairs of the road to the bungalow, which is now maintained from the District Funds, may be taken over by Government and maintained out of Provincial Funds.
